Son's Try to Results in Double Drowning

A son's attempt to save his father from drowning at Pillsbury Cove near the entrance of Prince Rupert Harbor Saturday night resulted in a double tragedy which claimed the lives of George S. Leighton, 66year-old Metlakatla man, and his son Vincent, 22, who dived off a gillnetter to rescue the elderly man fell overboard.

CZECHOSLOVAKIA ACCEPTS

PARIS-It is announced today that CzechoSlovakia had accepted an invitation to attend the conference called for this week-end by Britain and France to consider the Marshall plan. The French foreign ministry announced earlier that six nations had accepted the Anglo-French invitation to co-operate in continental economic reconstruction under the Marshall proposal and that similar notes were expected from eight other countries. The six acceptances were from Belgium, Italy, Portugal, Eire, Greece and Turkey.
