ARGUMENTS too frequent in your home? Could the trouble be your snappy disposition? Men hate nagging!

Perhaps you are doing three women's work! But maybe your edginess is due less to strain than to caffein in tea and coffee. Why not try Postum instead?

You'll love its rich, heart-warming flavor not like tea, not like coffee, just a mellow goodness all its own. And Postum is free of caffein, or any other drug that might affect nerves or heart or digestion.

Postum is made right in the cup, by adding boiling water or hot milk. Costs less than a cent a serving. Try it!

morning on the Prince Rupert. The trio, who investigated

Prince Rupert's interest spots in the afternoon, left on last evening's train for their homes. Their return trip via Prince Rupert is in the nature of a holi-

term as exchange teachers in ing and refreshing. Vancouver, while their positions in the east were filled by Van- Oil with a guarantee of speedy

EASTERN SCHOOL CAR SLIPS OVER EMBANKMENT

A car, driven by Henry N. Powell, age 19, of 1443 Eighth The British Columbia coast is Avenue East, slipped over an attractive place for three rocky embankment on the higheastern Canadian school teach- way between Galloway Rapids ers who are in the city this a and Prudhomme Lake at 7:30 ternoon on their way back to Tuesday morning, but all of its Ontario and Quebec after spend- four passengers escaped without injury. The left-hand side of ing a year as exchange teachers the 1938 Ford was badly dented on the rocks and the window "We think the coast is a won- glass on that side was smashed.

Speedy relief follows a vigorous rubbing with Emerald Oil. The oil is not greasy and does not stain, so don't be afraid to use lots of it. Takes out the sting, relieves any All three have completed a itching, and is wonderfully sooth-

Ormes Ltd. and other good druggists sell Moone's Emerald relief or money back.

Plasti-Seal is economical for roof repairs on large and small buildings with either low-pitched or flat-decked roofs. With one application of Plasti-Seal worn roofs can be sealed weather-tight against summer heat and winter rains. Plasti-Seal is easy to apply ... you just brush it on cold as you pour it from the container. For low-cost, long lasting roof protection, use Plasti-Seal.
