MATERIALS FOR WAR VETERANS

TERRACE - The Canadian Legion president, Lloyd Johnstone, last Thursday night, at a well attended meeting, explained letters received from War Assets Corporation regarding the building materials under classifications which may available to veterans of World War II.

referred to the demolition now ing materials and equipment is to be disposed of Most of the ested in getting their homes es- with ticket 86. tablished now they are back to civilian life and see the possibility of obtaining building material in this way.

Nigel Sherwood wanted to know whether veterans of the first world war could get the same treatment as those who went to the second and sponsored an emphatic motion with a view to ensuring that they

It was decided to hold the Legion picnic on Little's Island, July 13, enter a decorated float in the Dominion Day float, revive the Legion baseball team and tighten up club regulations.

Leads You to Foot Health and Comfort

We feature X-Ray Fitting because it is the only means by which you, and we, can see exactly how your feet look inside of a pair of shoes. With X-Ray's Magic Pointer we can show how and why a certain type of shoe may cause foot ills or discomfort. X-Ray enables us to fit you to shoes that will give you positive comfort, and possibly correct certain foot troubles that you now have. We invite you, and especially your chil-

WESTMINSTER PAPER COMPANY

Are Pleased To Announce That

BATHROOM TISSUE

Now FACIAL-SOFT

Having completed the construction of our new plant and the installation of new paper-making machinery . . . an overall \$2,000,000 expansion programme . . . we now have pleasure in presenting a New Bathroom Tissue in advance of anything offered heretofore in Canada.

The New Purex is vastly improved. Soft and silky as the most refined tissue handkerchief, it still maintains exceptional strength and absorbency. This product is offered in fullest confidence that it will meet with unqualified approval. Your dealer has ample supplies.
