other remedies in an attempt to pathetic spouse. ly behind the lids of both eyes mor. (one far more copious) and tumbles over apologetic rims in warm rivulets. Then, always, get company.

This last time there were two -two nurses. My upper lip was stiff, but they were certainly a credit to their profession. It was the way they kept right on hemstitching and embroidering as if in pleasant company. They even looked straight at me, occasionally, without once shuddering or change of expression. They conversed with me, intelligently, too, understanding quite remarkably the thick jargon that would make the mumbler look like an elocutionist.

The next day, in spite of assuring them that "I fee' fide," I reclined miserably in the warm-

I had a "co'd id the dose." Lots other, my eyes went shut-one of people get them, know they really tight, the other slightly are coming and, according to ajar, so that I earned, and got Hobart Reiman, M.D., spend a a frequent "Well, how's Old fortune in cough syrups and John Silver today?" from a sym-
