EXPERIMENTAL FARMS SERVICE HAS BIG ROLE—Canada's experimental farms' service plays an Important part in the life of the district in which they are located. Demonstrated at the Manyberries Alta., field day was a new type branding table which eliminates need for roping a calf and hauling it in to the brand ing fire. Calf simply walks down a chute, into the vertical table. which is then locked and tilted to a horizontal position. Branding inoculating, dehorning, etc., are then done with the calf held motionless. Range station boss Harry Hargrave claimed that calves were branded with no traces of stiffness the next day.
