**Itching
Eyes and Feet**

A clean, stainless antiseptic
will do more to help you get
your trouble than anything
ever used.

It is so powerfully pene-
trating that the itching is quickly
and in a short time you are
free of the most annoying, itchy
trouble. It is true of Barber's Itch-
um, Eczema—other irritat-
ing skin troubles.

Obtain Moore's Emerald
in the original bottle at Ormes
and modern drug store. It
is used—and failure in any of
its uses is rare indeed.

**Remembrance Day Observance
At Fairview Cemetery**

Early on Remembrance Day
afternoon the presidents of the
Canadian Legion and the
Women's Auxiliary of the Cana-
dian Legion, as well as several
members of both organizations,
proceeded to Fairview Cemetery
in company with Rev. (Capt.)
Chas. L. Lomas, honorary chap-
lain to the forces, and decorated
the graves of veterans buried in
the Legion's soldier's section as
well as that of the American sol-
dier buried in the United States
Army plot and veterans in the
Masonic section.

The Union Jack was flown at
the mast-head while prayers
were read by the chaplain and
then lowered to half-mast dur-
ing the period that the graves
were being decorated with pop-
pies.

CARE OPENS 10,000 SUBSCRIPTION OFFICES—At the formal opening at Lake Success of 10,000 offices of Care, an organization devoted to expediting parcels to Europe, Mrs. Adelaide Hector McNeil, British delegate to the U.N., fills out order blanks to send a parcel to England. Care, operating in the U.S. and Canada, accepts \$10 subscriptions and offers a variety of parcels containing food or clothing for delivery in 15 European countries. Mrs. Sinclair is executive assistant to the deputy minister of welfare and advisor to Canada's U.N. delegation.

**Represented Frat
At Seattle Meet**

On a recent visit to Seattle, L. M. Felsenthal represented the national fraternity of Alpha Epsilon Pi when a branch was instituted at the University of Washington. Mr. Felsenthal was a member of the fraternity at his alma mater, University of Pennsylvania. During his absence Mr. Felsenthal also visited Montreal and Toronto on business. He reports goods still scarce and prices high in the eastern textile and clothing markets. He returned to the city on Saturday night's train.

**STRONG
AND
HEALTHY**

SCIENCE has proved there are certain food elements everyone needs for health. If there aren't enough of them in a child's food, serious things can happen—such as stunted growth, soft bones, poor teeth, faulty nerves, loss of appetite, defective eyesight.

Ovaltine supplements the diet with elements frequently deficient in ordinary foods. Three servings of Ovaltine furnish a significant portion of a child's daily requirements of Vitamins A, B₁, C, D, Riboflavin (B₂), and Niacin and Minerals Calcium, Phosphorus and Iron.

In addition it provides the basic food substances—complete proteins to build muscle, nerve and body cells—high-energy foods for vitality and endurance. It thus acts as an insurance against food deficiencies that retard normal growth.

So if your child eats poorly, is thin, underpar, perhaps nervous, why not try delicious Ovaltine for normal growth and better appetite.

**Parent-Teachers
Enjoy Meeting**

At the home of C. H. Insulander, an enjoyable meeting of the King Edward School Parent-Teachers Association was held last night under the chair-

manship of Major W. Coope. During the business period plans were laid for the next general meeting. The rest of the evening was taken up with much spinning of fascinating truth and fiction. Mrs. Insulander's fine cooking and hospitality were much appreciated.

QUIET CEREMONY**

Miss Jean Kelday Becomes
Bride of Robert Thomson

A quiet but pretty wedding was solemnized at the home of Canon W. F. Rushbrook, Ahm Cottage, Overlook Street, Saturday evening when Miss Jean Millicent Kelday, youngest daughter of Mr. and Mrs. R. Kelday of Prince Rupert, became the bride of Robert William Thomson, 228 West Tenth Avenue, Vancouver.

The bride was attended by Mrs. Anne Mintenko and Gilbert Haines was groomsmen. A reception was held at the home of the bride's parents on Second Avenue where many friends gathered to tender their congratulations and best wishes.

MOSTLY WOMEN
For the last 50 years women have comprised from 51 to 51½ per cent of Denmark's population.

FOILED FORGERS
Fingerprinting was first used in 1882 by an American geologist who used his thumbprint to prevent forgery of commissary orders for an expedition.
