One Hundred People a Day Stricken: Twenty ACTIVITY AT Thousand Rescued from Inundated Buildings; Bodies Washed from Graves.

LENINGRAD, Sept. 27 .- The stricken population is salvag- Mill Being Repaired and Towning the wreckage of the worst disaster in one hundred years. Of 20,000 persons rescued from inundated buildings 200 were unconscious. Twenty-five dead bodies were found. There is debris, and desolation everywhere. Thousands of people are homeless and the hospitals are all crowded.

The flooded area covers 50 miles and it is estimated that the property damage will amount to \$100,000,000.

Fever Rages

LENINGRAD, Sept. 27.— Spot- YOUNG BOYS' ted typhus has broken out in this storm swept city adding its horrors to those of the flood. More than 100 cases are being registered daily. Doctors and nurses are overwhelmed with the Youngsters Mamed Bradshaw and work of caring for new patients.

One of the most gruesome aspects of the flood has been the havic wrought at the cemeteries; where newly made graves were washed out and the bodies floated away.
