

That's the kind of arithmetic we teach with our "Float-Ironed" service. It washes and dries everything, irons everything flat. You may have some touching up to do on some of the wearing apparel-but otherwise the entire task of washday is taken off your hands. It's the cheapest partially finished service - requiring the least amount of ironing at home. Our Float-Ironed Service is the answer to the washday problem. Shall we solve yours?
