ONLY THE MOTHER KNOWS ABOUT THE COUGHS AND COLDS OF THE CHILDREN

It is hard to keep them from taking cold; they will run out of doors not properly clad, or have on too much clothing; play too hard and get over-heated, and cool off too suddenly; get their feet wet; kick off the bed clothes at night, and do a dozen things the mother can't prevent. The prompt use of

DR. WOOD'S NORWAY PINE SYRUP

will check the cough or cold before any serious lung trouble can possibly develop. Mrs. Everett E. Kretch, R.R. No. 2, Fredericton, N.B., writes:—"My little boy, age nine years, had a dreadful cold which left him with a bad cough. I tried Dr. Wood's Norway Pine Syrup, and after using three bottles he was completely relieved. I would advise all mothers to use this remedy for their children as it is an exegllent medicine."

For sale at all druggists and dealers.

SERVICE NOT SERVITUDE

Has it ever occurred to you that the multitude of "Household Helps" offered for sale are of themselves lifeless and incapable of service unless controlled and directed by the already overburdened housewife.

Laundry service alone is alive, vital, imposing no new obligations, and asking nothing but your friendly disposition, to change servitude into service.

May we call?
