"ROSITA"

A Spanish romance adapted by Edward Knoblock. The world's sweetheart, her beautiful curls of gold piled high on her head in an empire period coiffure, enters into her rightful heritage of glorious, vital, alluring womanhood in her characterization of "Rosita." Lithe and sinuous, gowned in the most gorgeous costumes, capricious and coquettish, beguiling and intriguing, the idol of men and women. Magnificent scenery and settings.

FUN FROM THE PRESS.
Admission 50c and 25c.

Election Results will be shown on the screen tonight.

Women:- listen to reason

The idea of thrift appeals to reasonable women who are helping to conserve the financial resources of the family pocketbook.

Clothes conservationists are making use of our clothes saving facilities. Dainty Dorothy's talks have interested her sisters and the dry cleaning, remodeling and wearing of last season's clothes is popular and fashionable.

ENGLISHMEN WIN SOCCER

Eliminated Callies From Dominion Day Cup Competition By Two to Nil

The Sons of England defeated the Callies by a score of two to nil in the first game of the Dominion Day cup ties last night. It was a ragged match but the Englishmen had the best of it all the way. The attendacne was poor.

The first score for the Sons was made when Hugh Hamilton miskicked through his own goal when attempting to clear a corner. G. P. Tinker registered the second for the Englishmen in the second half.

G. S. Russell referred and the linesmen were F. Roberts and J. Marks. The teams took the field as follows:

Sons of England—Dick Howe; Bales and Dick Lambe; Frank Hodgkinson, George Kelsey and Percy Tinker, H. S. Hurn and H. Gawthorne.

Callies—A. Murray; H. Hamilton and W. E. Williscroft; J. Sims, J. Harris and R. Woods; W. Hamilton, George Waugh, D. Main, G. Cochrane and J. Andrews.

Sport Chat

The performance of Gil's City League baseball team in beating the Sons of Canada this week has certainly served to enliven the interest of fans in future games. In fact, in the last two games a particularly good quality of baseball was manifested and, if the standard now set is kept up, there will be no danger of general interest flagging. The Columbus Club and Gil's are scheduled to meet tonight and both teams will be on their toes because victory will mean a good start towards the top for either side. In the way of encouragement towards further success in this encounter the Catholic boys have already on record one defeat against Gil's this season. On the other hand, Gil's have their victory over the Canucks to point to. The outcome is open to speculation and, as a result, it looks as if it may be anybody's old game tonight. Such a condition of affairs should prove attractive to the baseball fans generally.

The official lacrosse season got away to a good start with the opening season game on Wednesday night. A good brand of play was offered and the fans were well satisfied. Withal there was just enough enthusiasm to indicate that the forthcoming series between the Maple Leafs and the Kaiens for the Stork Cup will be followed with keen interest by the many followers of Canada's national game in Prince Rupert. With respect to the Prince Rupert-Ocean Falls lacrosse game to take place in Ocean Falls on Dominion Day, the local material is showing up well and there is little doubt that the select aggregation to be sent south from here in ten days will be well able to take care of itself against anything the paper town may have to offer.

Sealed Tenders addressed to the undersigned and endorsed for the "Construction and equipment of one (1) Forty-two foot motor launch" will be received up to noon, June 27th, 1924.

Plans, specifications and form of tender may be obtained at the office of the Chief Forester, Victoria, the District Forester, Prince Rupert, on deposit of $10.00 which will be refunded on the return of plans and specifications.

The lowest or any tender not necessarily accepted.

G. R. NADEN,
Deputy Minister of Lands.

MEDICO PRESIDENT

OTTAWA, June 20.—Dr. David Low of Regina was elected president of the Canadian Medical Association at the morning session here today.

A large map showing the large amount of grain going eastward through the United States and urging support for the men who would bring it west either through Vancouver or by way of Prince Rupert is published in an advertisement in the Vancouver papers.

WORLD FELLOWSHIP IS ROTARY'S AIM SAYS THE PRESIDENT

Better Business Methods and Standard of Ethics is Urged

TORONTO, June 20—"Rotary's destiny is the establishment of a world fellowship of business and professional men, united in the Rotary idea of service," said President Guy Gundaker opening the 15th annual Rotary Convention here.

"A world fellowship, while necessarily contingent on the extent and successful establishment of Rotary in all the nations of the world, is likewise contingent on the correctness of the standards of business practice of the men privileged to enter that fellowship," he continued.

"Until men meet on the common ground of correct business methods, there can be no world fellowship of business men. The major Rotary activity for the immediate future will be an increasing and unceasing activity for better business methods and their standardization in codes of ethics. In countries where crafts are organized with great national associations, the greatest opportunity for achievement will be found in Rotary's campaign for written codes of correct standards of business practice.

Realm of Business

"In my opinion, Rotary's most lasting contribution to the world will be found in the realm of business, in the making of a happier, more contented, more kindly, more cooperative and more honorable business world. In the achievement of a more honorable business world, you have the solution of all the other betterments sought. With an honorable business world, happiness, contentment, kindliness and co-operation must and will prevail.

"With correct business methods, world-wide, the business men of all nations, meeting on this common ground, will establish great international friendships and good-will—friendships which will harbinger everlasting peace.

Object of Codes

"One of the ultimate objects of written codes is to standardize conduct so that all fellow-craftsmen in any line of business can compete with one another on an equality of opportunity. Where men compete on different business standards, there is no equality of opportunity.

Your Health

Ingrown Toe-Nails

It is a common occurrence to see a person limping along the street suffering foot torture. In most instances this misery may be avoided. How? When we learn to dress our feet in shoes that conform to the shape of the foot, rather than trying to make our feet fit the shoes, then there will be fewer foot troubles. Shoes with pointed toes and extremely high heels should never be worn by persons who have "square toes." You may be surprised to find that you can buy shoes that are comfortable as well as good looking. Visit our Shoe Department and you will be properly fitted.
