### Three Football and Two Baseball Games Have Been Played to Date

ANYOX, May 23 .- The Anyox sport season is well away, three games of football and two games of baseball having been decided in the past ten days. On the football field the Mine has won two victories, one over the Smelter eleven and the other over the Beach aggregation, the Smelter annexing one the last game played, the Beach team again losing. All these games were evenly contested, however, and what promises to be the best year so far experienced in Anyox football annals has started.

There will be two nights devoted to football on the local grounds, two to senior baseball and the remaining two nights to intermediate baseball, with ladies' baseball game sandwiched in between somewhere.

The intermediates were the last to organize, a well-attended meeting starting the ball rolling on Wednesday evening, May 21. The intermediate season will commence on the first Wednesday after the beginning of June. The schedules for all three leagues will run until the end of August. The senior ball tossers have played two games of the baseball schedule to date, the Mine losing both games, orse of the lens or repair any frame. Smelter and one to the Elks. Missed Opportunities

In the Republican convention of 1920 he refused to throw his strength to Philander Knox for the Presidency on the agreement that he have the vice-presidency. If he had been willing, such a flicket would have been the Republican choice long before Harding and Goolidge selected as a compromise. If Johnson had acceded to this plan he would have been president on October 21, 1921, the date of the Death of Knox, only seven months after the inau-

## Nine Years Ago --- A Few Remarks

The passing of May, 1924, marks the completion of our ninth year in business, as the Table Supply first opened its doors on June 1, 1915. During this time, our expansion has been rapid. We take this opportunity to express to the public our appreciation of the splendid support accorded us, and to assure our many loyal customers that we will do our utmost to retain their confidence for the futur.e

Looking back, we cannot help recalling just one incident, which occurred on June 30, 1915. We disposed of more than 2,000 full size quart baskets of strawberries in one hour between 11 a.m. and 12 noon, at 5c per basket on the day before a holiday. Prince Rupert consumers never received such value before or since. Our policy of quick turnover and small profits has been a winner.
