Helsinki Becomes Battleground Between U. S., Russia; Two Vancouver Girls Sprint to Win

HELSINKI—A great duel between the United States and Russia for the point-winning supremacy in the Olympic Games might well be decided by a comparatively minor event.

So far the United States has scored heavily in the track and field competition although championships yesterday were well distributed nationally. Russia's men and women have rolled up points by the score in gymnastics.

Going into its sixth day of competition today, Russia had piled up 323½ points in all sports against 221 by the United States. Hungary was a distant third with 87, followed by Sweden with 67½, Switzerland with 58 and Czechoslovakia with 56½.

Bob Adams, Saskatoon, Canada's entry in the Olympic decathlon, finished fourth in his heat today in 199 metres—first of 10 events to gain 650 points. His point-score left him far behind the leader, Milton Campbell of the United States, who had 1,028 points.

Two Jamaican stars, Arthur Wint and Herb McKinley, won the semi-final 400-metre event. Jack Carol, Verdun, Que., and Jim Lavery, Calgary, placed fifth and sixth respectively and were eliminated.

Luella Law, Vancouver, placed second in the 200-metre event to qualify. Heat winner was

Evenija Sechenova, Russia. Eleanor McKenzie, Vancouver, also placed second in the 200-metre event to qualify.

SPORTS ROUND-UP

By JOHN CHANDLER

NEW YORK—In 1948 when Citation and Coaltown were backing up the folding green for Lunnet Farm, most everyone of the Jones boys were thinking the two colts should meet in a match race.

But Papa Ben, the head Calumet trainer, and son, Jimmy, weren't considered crazy then, and nobody can say the Janeses are loco these days.

Now, instead of two of the fastest colts racing has seen in the state, they've got two of the best re-year-old fillies the sport has produced in many a moon—Light and A Gleam.

A lot of racing people are deeming the fillies are probably better than the 1952 crop of colts such as Blue Man, Hill Gall, City II, One Count, Maybe 1952 isn't over yet.

Now these people are clamoring for a showdown race between Delight and A Gleam. There is much chance for this as in 1948 when Ben and Jimmy laugh-off suggestions that they send Citation against Coaltown.

After mopping up in Kentucky, Maryland and New York with Real Delight, Ben Jones took the fancy stepping filly to Chicago for more of the same. Jimmy Jones has been digging up chunks of gold with A Gleam at the California tracks. Thanks to their efforts in the main, Calumet already has banked some \$800,000 this year.

Who's nuts? Not the Jones boys.

CYO Edges Motors in Manson Bid

CYO 3; Gen. Motors 2

These teams met in a Manson Trophy fixture Wednesday in a stiff contest with teams evenly matched. Motors were first to score through Tait who accepted a pass from P. Wilson to put his team ahead.

Both teams attacked in turn, and it was not long before Phillips equalized with a good effort. Just before half time J. Wilson put the Motors ahead with a grand shot from the 20-yard range. Half time score, CYO 1, Motors 2.

On resumption CYO attacked and Phillips again equalized. Gen. Motors now were striving hard to regain the lead, and a penalty against CYO looked promising, but P. Wilson shot past from the spot.

Both teams were fighting hard for the winning goal and eight minutes before the final whistle, H. Nuyten put his team ahead. Motors tried desperately to save the game, but the end came with a well contested game going to the CYO.

Bill Baxter refereed; J. Bremner and M. Nuyten, linesmen.

CYO now has a comfortable lead in this league, but can not afford to relax. The three teams comprising the league are well matched and the standard of play is much improved in recent weeks. Introduction of our new citizens from Europe to the game has provided an enthusiasm which has been lacking in recent years.

CYO is fielding a team, only three of whom have played football in Prince Rupert prior to this season. The remainder are recent immigrants who possess a spark and keenness which has brightened the game. Battery and Motors will have to give their best to hold their own.

Both teams scored in the first inning. Hodgson teed off for the clothiers and gained second on error. Lindsay got on via a top error, scoring Hodgson.

The three-hit third inning leveled the bases for Fraser who hit batter. Two runs came in on Hodgson scored on his single and Haryluk's single, Hodgson—running for Sher—hit the hit batter—came with Hodgson's long hit,
