THE CROW OF CROUP A WARNING TO ALL MOTHERS

Croup starts with a dry cough and rattling in the throat; after which the croupy crow gives warning of the disease. The child, after tossing restlessly about, with start up with a flushed face, protruding eyeballs, and a distressing look of terror and anxiety. There is a struggle for breath, and the expectation of the mucous matter is so difficult to get rid of that the effort appears to threaten strangulation.

On the first sign of the "croupy crow" mothers should administer Dr. Wood's Norway Pine Syrup, and thus give the child prompt and permanent relief, and perhaps the life saved by taking this precaution.

Mrs. H. A. Langhorn, Hamilton, Ont., writes:—"My little boy was very bad with the croup and I could not get anything to relieve him until I tried Dr. Wood's Norway Pine Syrup. I cannot praise it too highly for the relief it gave him."

Sport Chat

This week will see the close of the competition for the Bulger & Cameron Cup significant of city team billiard championship. The Great War Veterans still have a good lead in the standing but it is quite possible that it might be overcome and the Grotto and Prince Rupert Billiard Parlor still have chances although the odds are rather long against them. The match tonight will be between the two cellar teams—St. Andrew's and Sons of England. The former will have to win by a margin of two hundred points if they are to go to fifth place. On Wednesday night the Grotto will play their last game with the Elks while the Great War Veterans and Prince Rupert Billiard Parlor will stage the league final on Friday night.

The globe cynic on the Toronto Globe who writes about the foibles of her sex has found a topic in a proposed Gold Club "for ladies only." She doesn't think it will have many members. She can see why men might be hampered by women when they wished to express themselves freely about the course of their ball—"but the woman who takes her golf seriously and the woman who takes her golf frivolously are both equally at home in male society. Masculine praise cheers the heart of the good woman player and "masculine smiles flutter the heart of the poor player. It is interesting to speculate as to an ideal golf course for women only. Just as they are fond of four deuces wild in a game of poker, so they might insist on wearing high French heels on a golf green. That would make a really sporting game. There would be no need for hazards that provide long absences from the fairway and give golf couples opportunity for flirtation. The ideal woman's course would be a level plain. Every woman would wish to keep every other woman in sight all the time."

LACROSSE IS REORGANIZED

Ben Self Elected President and Harry Lipsett vice—Plans for Season Started

RESOLUTION OF SCHOOL BOARD TO BE ACTED ON

The annual meeting of the Prince Rupert Lacrosse Association took place on Saturday evening at the Elks Home, a fair number of those interested in the sport being present.

Plans were laid for the coming season and the following officers were elected:

Honorary President, Fred Stork, M.P.
Honorary Vice-President, Geo. D. Tite.
President, Ben Self.
Vice-President, H. P. Lipsett.
Secretary-Treasurer, S. W. Taylor.

Two teams are to be organized under the leadership of S. W. Taylor and Harry Menzies. Practices will commence as soon as possible and it is proposed to stage the first game of the season on May 24.

Ben Self and Harry Lipsett offered to supply necessary equipment that is lacking.

The meeting passed a resolution instructing the secretary to get in touch with all service clubs and athletic associations in the city with a view to calling a general meeting for the purpose of framing a resolution requesting the city to make arrangements for the bringing together of the four small parks at the corner of Sixth Avenue and McBride Street into one large recreation park. The recommendation has already been made to the council by the school board.
