THOUSANDS AT EPSOM DOWNS

All Sorts and Conditions of People Attend Historic Horse Race

LONDON, June 4.—(By the Canadian Press).—From the early hours today all roads lead to Epsom Downs and the highways and byways were again jammed with the thousands and tens of thousands of people imbued with the carnival spirit of Derby Day, on their annual migration to the historic downs to witness the running of the Derby, the most popular of the three-year-old classics, over the mile and a half course. All sorts and conditions of vehicles were requisitioned to transport the crowds and there were the usual breakdowns, with the customary blockades, but as usual, the stragglers reached the course in time to join in acclaiming the winner, even though, through lack of vantage points, they were unable to get a glimpse of the running of the race.

The Derby is, by general consent, the greatest race of the year and there is no sporting event that arouses such world-wide interest as the Epsom classic. The name of the winner is flashed around the world and wherever sportsmen foregather the result of the Derby is keenly awaited. Even people who have, in the ordinary way, no concern with racing, succumb to the fascination of the Derby and the day of the running of the great race is a traditional British holiday.

To lead in the winner of the Derby is the achievement of the owner's highest ambition; to breed a winner of the chief Epsom classic is the realization of the horseman's fondest dreams; to train a Derby winner marks the apex of the trainer's career, while to have the mount on the winner and to be acclaimed by the tremendous roar that goes up from the vast throng is an unforgettable moment in the young jockey's life. As for the equine hero of the hour, the name is written into turf history along with the past winners; he may as has been proven in the past, be only a moderate animal, but the glory of having won the chief classic remains nevertheless.

ANYOX WILL PLAY AGAINST KETCHIKAN

ANYOX, June 4.—Owing to wet weather, the summer sports schedule has been held up somewhat. Two games of baseball and one of football have had to be postponed on account of Jupe Pluvius. All the fans are eager to see the teams in action now. Since the opening games the Mine and Smelter baseball teams have strengthened their line-ups with highly-touted material, while the three football organizations have located and signed new players. Already preparations have begun for the celebrating of Dominion Day in Anyox style. A big field day is planned, with a dance at night, the feature of the celebration to be baseball matches with Ketchikan. After the celebration here, the Anyox team will journey to Ketchikan for the fourth of July, playing a series of three games there.

FLOATING SPECKS BEFORE THE EYES MEANS LIVER TROUBLE

When specks start to float before the eyes, when everything seems to turn black for a few seconds and you feel as if you were going to faint, you can rest assured that your liver is not working properly.

The essential thing to do in all cases where the liver is slow, lazy or torpid, is to stir it up by the use of Milburn's Laxa-Liver Pills and clear away the accumulated mass of waste and poisonous matter from the system.

Mr. Chas. Ayland, Frankville, Ont., writes:—"I used to be awfully bothered with floating specks before my eyes, headaches and sickness to my stomach. I took just half a vial of your Milburn's Laxa-Liver Pills and ever since I have felt as well as I ever did. Now I always keep them on hand."

Milburn's Laxa-Liver Pills are 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont

PRESENTATIONS TO ANYOX LADIES BY BASKETBALL LEAGUE

ANYOX, June 4.—The outstanding event of the past week in Anyox social circles was the dance of the Ladies' Basketball League. This was preceded by a supper given to the players of the teams participating in the Ladies' League by the A.C.L., and was made the occasion for the presentation of sterling silver bon-bon dishes to individual members of the league winners. Dr. Harper, president of the Community League, in a few well-chosen words, complimented the players on the fine sportsmanship demonstrated throughout the season of basketball, and felt that Anyox couldn't have too much of such splendid competition, presenting the following players with the prizes:

Mesdames J. J. Cody, L. McQuarie, I. K. Dwyer, A. W. McTaggart, D. Roy, J. Smith and A. Crone.

After the supper had been done full justice to, dancing was indulged in, a large number of invited guests thronging Elk's Hall, which had been kindly loaned to the girls for the occasion. Refreshments were served late in the evening, and dancing continued until one in the morning.

Sport Chat

More than 200 entrants, including teams from Hawaii, the Pacific Coast, New York, New Orleans, Chicago, Detroit and other American centres will participate in the nine tryouts for the United States swimming team to the Paris Olympiad which will take place in Indianopolis on Thursday, Friday and Saturday of this week. Winners and second place men in the various events will comprise the aquatic team which will join the track and field squad at New York for the trip overseas. Seven speed and two diving events will compose the competition. Among the participants will be Johnny Weismuller, world's champion swimmer, Duke and Sam Kahanamoku and Warren Keloha, Hawaiian stars, and Buddy Smith, the New Orleans champion.

The value of an athletic personnel is now receiving more attention than ever in the United States Pacific battle fleet. Every ship of the fleet now has in the course of a year more than 300 men on various teams and crews and it is all a part of the official routine. A schedule is carried out to determine the fleet championship in each event. Ten years ago boxing and wrestling were the most popular navy sports but in late years other sports have come to the front. Boat racing is most popular now with the blue jackets but the fleet is also represented in at least ten major sports—boxing, wrestling, football, baseball, track, soccer, rowing, rifle, swimming and water polo. Basketball is not absent and lacrosse is just entering. Many obstacles confront the sailor athletes for they have no gymnasium and track equipment and their hours are irregular. Yet they manage to make an excellent showing in the land sports.
