DECIDED INCREASE

During February 1924, \$33,532 Was Collected Compared With \$19,612,69 Same Month Last Year

Local customs and excise revenue during the month of February was decidedly higher than the same month last year according to returns issued this morning by Jarvis H. McLeod, collector of customs. During the past month the revenue totalled \$33,-532 as compared with \$19,612,61 in February 1923. This represcuts an increase of \$13,919.31.

Provincial Party Preparing to Back Down from Inquiry by Charging Scope too Narrow

VANCOUVER, March 3 .- The Provincial Party today formally requested that the Lieut.-Governor in Council instruct Mr. Justice Galliher, the commissioner examining the P.G.E. railway charges, to go outside his commission in order to permit evidence to be adduced, which they allege will support their

The counsel of the Provincial Party partially withdrew from the probe last week, contending that the instructions to the commissioner were much too narrow to cover all the charges made. General A. D. McRae said the first part of the inquiry was airtight insofar as permitting us to bring [ANLIAN] out any evidence relative to the charges in our petition regarding the contribution to campaign funds, and after careful perusal of the wording of the document authorizing the commission, it is Gets Down to Business This Af-
