The Victoria will leave Seattle again on January 12, and will call at this port on her way north, on Monday night January 14.

At the End of a Day

As the roll unwinds, music works its magic. Gone are the cares of a work-a-day world. A dear old tune touches the chords of tender memory—brings back boyish dreams—stirs the fires of inspiration.

Whatever your mood as you sit down before the Gulbransen registering piano you find it sympathetic, responsive. For it is as ready to reflect the exuberance of youth in the latest and gayest of popular tunes as it is to free the majestic music prisoned in the score of a composer's masterpiece.

We invite you to our store today and try the Gulbransen registering piano. A few moments will reveal the pleasures it offers. We will gladly explain the advantages of its many exclusive features.

"When Hazel cut her foot, poison got into the broken skin causing a bad sore," writes Mrs. D. S. Green, of Kingston, Ont. "For some time the limb remained terribly painful and swollen."

"Then I left off ordinary salves and used herbal Zam-Buk. This soothed, cleansed and healed the sore so well, that in a few days Hazel was able to wear her shoe and again attend school. This experience taught me the wisdom of keeping Zam-Buk always handy."

A SURGERY IN A TWO-INCH BOX!

Every cut, burn, scald, scratch or other injury needs this grand herbal Zam-Buk. It is not only instantly soothing and healing, but it gives broken tissues thorough protection against poisonous germs. According to a story received the proprietor of a San Francisco hotel noticed a boot boy crouching in the corridor polishing a pair of shoes.

"Here, boy," he said, "don't you know that the rule is to take shoes to the basement to polish them?"

"Yes, sir," said the youngster, "but these shoes belong to a Scotchman and he's got hold of the laces."

INTERESTING WEDDING ON NEW YEAR'S DAY

Miss Drina Fraser Becomes Bride of Donovan Corker at Fort Fraser

FORT FRASER, Jan. 7.—An interesting wedding took place at Government House, Fort Fraser, on New Year's Day, when Miss Drina Fraser, youngest daughter of Mr. and Mrs. Fred Fraser, was united in marriage to Donovan Corker, of Prince Rupert. A company of sixteen guests was assembled to witness the ceremony which was performed by Rev. Father Cocola, O.M.I. In the absence of her father, the bride was given in marriage by W. J. McAllan, and attended by Miss Ethyl Tittlemore, bridesmaid. Mr. Corker was supported by Mr. J. A. Findlay of Prince Rupert.

After the ceremony the party sat down to a delightful wedding breakfast. Mr. McAllan proposed the toast of the bride and bridegroom, wishing them, in the name of Fort Fraser and district, a long and happy wedded life. Mr. Bunting, proposing the toast to the bride's mother, Mrs. Fraser, referred to her kindly and helpful interests in all the affairs of Fort Fraser. Walter Campbell offered the good wishes of all to Father Cocola, mentioning the many hardship endured by him in ministering to his flock in the days before the railway. He also voiced the esteem in which he was held by all.

After the toasts had been drunk, the guests departed to re-assemble later in the Public Hall where Mrs. Fraser gave a reception. A large company of friends was gathered there and the time was spent enjoyably until midnight when Mr. and Mrs. Corker left for their home in Prince Rupert, accompanied to the station by a host of well-wishers.

Mrs. Corker has been school teacher here three and one-half years and her efficiency in school work commended her to all parents, while her youthful enthusiasm in all that went on endeared her to the whole community. Mr. Corker was, until twelve months ago, a resident of the Vanderhoof district. He is now a member of the C.N.R. bridges and building department at Prince Rupert.

Herbert Taylor of Esk, who has been visiting in the city over the Christmas and New Year holidays, returned to the interior on Saturday night's eastbound train.

NEW LAMP BURNS 94% AIR

Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U.S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil). The inventor, G. A. Johnson, 595 McDermott Ave., Winnipeg, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.
