

Outdoor stuff ... with Marty

Several of the faithful are looking at the estuary of Cloyah Creek trying to get hold of the Dolly Varden. Believe everybody can do better when advantage may be taken of the evening tides during the coming week.

On various occasions reports have reached me concerning the younger anglers, to catch a Dolly Varden, to catch another Dolly; the carcass then flung away. That is a poor conservation practise, and we shall all run out of Dolly eventually if it continues. This same thing goes on with the more valuable species of fish than the Dolly Varden, when we had all better try our rising successors that this is serious stuff!

Have also noticed that occasionally fish in poor condition are retained in possession after capture; fish which show markings of damage, fungus, and general deterioration due to ad-
vancement in spawning condition, should be returned immediately to the water.

Remember to send in your envelope of scales to the Game Department.

There is a definite lull in the salmon fishing around Fairview Co-op these days, but it will be around Christmas before there will be more than that vicinity. If one MUST fish for springs, then Metlakatla is still a possibility. Should be Coho fishing along the inlets of the smaller islands right now, with Stephens Island being particularly good bet.

Lately your columnist has been with a number of visitors from your city, many of them deploring the lack of facility for hiring rowboats, or for some craft that will run out to a spot where the hand line anglers can get into a pulling match with the finny denizen.

The spinning rod artists can buy both German and Czech monofilament lines in bulk; there is a good selection of sizes and no need to send to Montreal. At the moment your columnist is testing a 6-pound monofilament line in the salt chuck; it is right and the line is soft and flows readily through the guides without building a bird's nest. Will comment on its durability and resistance to abrasion. Do not forget to keep those hooks needle sharp when using the caliber line; it is very easy to break when setting the hook.

The Prince Rupert Rod and Gun Association needs you as a member.

Reports from Babine Lake tell of very good Rainbow trout fishing both on fly and spoons. An episode the other evening was the need for smaller flies than can be purchased in the local stores. Partner and Marty went to a certain pool where the trout were continually rising; all sorts to get connected to one fish, but all were unsuccessful; but after fishing down pretty deep Marty came up with just one ratty trout. Hare's Ear Gold on a No. 4 hook; that was the answer for the cutthroats angling immediately.

At Bulkley River at Morice, the water is rapidly clearing, already the first steelhead are beginning to show, and right now one is taking spring salmon up to 10 pounds weight by casting a spinner or brass No. 3 Bear Valley spinner. Other spinners are sometimes successful too but the Valley is my first choice.

The delightful week-end weather started quite an exodus from the city and Mr. and Mrs. Anderson and all the kids were distributed at least sixty miles from the Skeena River. Almost every rocky point and creek mouth gave up its quota of Dolly Vardens, and I saw many fish in excess of sixteen inches long being caught. These fish were taken on garden hackle cut fish bait, while Marty's family had good success with a spinner and No. 4 St. Wash on spinning tackle.

On Spicers and a friend started the day at Cloyah Creek, and fished east with fair luck; George Rorvick and party spent the day on Rainbow Lake and had a creditable catch of cut-throats. At least two marauding seals met their doom near the Creek, but poking their heads out of water within range of a rifle-equipped angler whose I do not know. Good luck to him anyway and to those who benefit all fishermen by destroying these pests. Remember, this is your column, make use of it!

See you next week, meanwhile fishin'.

ERIC S. MARTIN.

TITULAR HONORS

Two titular honors have been awarded to Canadians since 1935, in the practice was stopped at request of the government.

FLAGS THAT HAVE NEVER appeared before officially in Canada are included in this display at the 18th International Red Cross Conference in Toronto. They represent 77 nations. Many of the emblems are new to Canada. The flags were made by Mr. and Mrs. George Yanovsky of Toronto. Carol Agnew, a Red Cross Corps girl, is holding the Australian flag.

SPORTS ROUND-UP

NEW YORK (AP)—Every so often we call again on our old pal Al Weil, the courtly match-maker of the International Boxing Club, to receive renewed assurance that Al no longer manages Rocky Marciano, the valuable heavyweight who fights Harry Matthews tonight at Yankee Stadium.

The reason it is necessary to have our faith in Al refurbished at frequent intervals is that there are quite a few boxing writers and conductors of daily sports columns in this locality who are not convinced that Al actually deeded Marciano to his stepson, Marty Weil.

These doubters continue to insist that Al, who is a powerful figure in the industry, only pretended to give up his tiger when he joined the I.B.C. and that he has, in reality, gone right on guiding Rocky's lumbering footsteps right up to this happy moment. It is a disturbing thought, and one which only Al can dispel.

It is against the rules of the New York State Athletic Commission for a promoter to also be a manager.

Had he, we asked, read the latest blast at his reputed absentee ownership, a vivid article which compared him, roughly, with Willie Sutton, the bank robber, and which stated that Marciano's manager of record, had not yet even located Rocky's

Tireless Czech Scores Triple Win at Olympics

Nine World Records Broken As Track, Field Events End

OLYMPIC STADIUM, Helsinki (CP)—Emil Zatopek, tireless Czech, won the Olympic marathon today bringing to a sensational climax the week-long track and field program which was cluttered with records.

Zatopek rounded out his Olympic triple victory of such heroic proportions that stamped him without challenge as the world's greatest distance runner.

Already winner of 5000 metre and 10,000 metre Olympic championships, Zatopek took a fling at the marathon—a race he never before entered. He did it in record time, running the field ragged at the end.

While he was trotting over Finland's highways outside Helsinki, 70,000 persons in Olympic Stadium were watching more records fall.

Jamaica's runners ran to a world and Olympic record in winning the 1600 metre relay race.

It was in this race Canada picked up her only points in track and field competition. The Canadians finished fourth and scarcely more than a second off the old record.

Saturday's show was no less sensational.

Joseph Barthel of Luxembourg won the classic 1500 metre run in a terrific finish with Bob McMillen of the United States who came up with a great sprint in the home stretch.

Bob Mathias, 21, of California, successfully defended his decaathlon championship and broke his own world record in doing it.

Zatopek's victory brought to a close the 32 track and field events of games. Nine world records were broken and 27 Olympic records smashed.

Canada's 1500 metre team was

Firemen Defeat No. 1 7-5 To Move Up Softball Ladder

FIREMEN 7, NO. 1 5

Firemen moved to within a game and a half of first place in Friday night's softball fixture by downing the league-leading No. 1, 7-5.

Art Olson hung up his sixth victory of the season, by scattering seven hits and walking five. Don Scherk, the losing pitcher, gave up only five hits and walked three, but his team did not give him much support as they committed seven errors.

No. 1 tallied once in the first when Watson walked, went to second on a wild pitch and scored on Don Scherk's ground ball to shortstop.

Firemen tied it up in the same inning when Enridge reached first on an error, took second on a bad throw and scored on Sharpe's single.

In the bottom of the fourth, Firemen tallied once more when Webster tripled and came home on a bad throw by Watson in centre field. No. 1 tied the game in the top of the fifth, when Watson singled and scored on Don Scherk's single.

Firemen scored the rest of their runs in the bottom of the fifth on two walks and three hits, including a triple over the right field fence by "Butch" Currie.

For No. 1, it was Watson and

Bobby Shantz Leads Athletics To 3-1 Win Over White Sox

NEW YORK (AP)—Major league pennant races today shared the baseball spotlight with little Bobby Shantz.

Shantz, the major's biggest winner, turned back Chicago White Sox 3-1 in the first game of a doubleheader as the Athletics made a clean sweep by grabbing the nightcap 9-3.

Meanwhile New York Yankees ended their longest losing streak under Manager Casey Stengel's four-year regime by splitting a doubleheader with the tail-end Detroit Tigers. They snapped a five-game losing streak by winning the second game 6-0 after losing the opener 8-3.

The split chopped Yanks' lead to 3½ games.

In the National League, St. Louis Cardinals edged Brooklyn 4-3 but the Dodgers maintained their 4½ game bulge over New York Giants as the Giants suffered an 11-4 whipping at the hands of Cincinnati Reds in the first game of a doubleheader. The second game was rained out in the last of the third with Reds leading 1-0.

CYO Eleven Trounce Battery

BATTERY 0—CYO 6
The CYO further consolidated their league lead by inflicting a heavy defeat on the Battery on Friday.

Early in the game Tarlind scored for CYO and almost immediately Pavlikis netted but was ruled offside. A nice header by Persammon hit the post with the CYO goalie apparently beaten. Pavlikis missed when well placed, and at the other end a fine attempt by Nuyten went narrowly over. Play was about even here but a cross from Phillips was netted by Silver-smith. Pavlikis again tried to score but missed by inches. Half time arrived with CYO leading 2-0.

On resumption Smith shot hard and true but the CYO goalie brought off a fine save. Smith, Pavlikis and Armstrong were trying hard to force the game but the Battery were being over-run at this stage and goals were coming easy to CYO. Verhaar found the net twice, Silversmith once and Tarlind once—all in the second half. Result: CYO 6, Battery 0.

FOOTNOTES
CYO were well served from goal to outside left, there were no weak spots. The goalkeeper is sound and appears to be improving with each game.

Battery unfortunately were handicapped, only seven of their regular players being available. The substitutes tried hard but the team was off balance, consequently CYO had an easy game. They are much too strong for either of the other teams to face at less than full strength and expect to hold their own.
