PATTULLO GETS FINE RECEPTION

Addresses Well Attended Meeting at Terrace on Topics of the Day

TERRACE, Feb. 4.—There was a big crowd out on Friday night in Progress Hall to greet Hon. T. D. Pattullo, minister of lands, and to hear him deliver an address. Bert Kenny presided and the minister referred to the fact that on the first occasion of his addressing them nine or ten years ago Mr. Kenny was then chairman of the meeting.

Mr. Pattullo dealt at some length with conditions throughout the province. He said the government had been charged with extravagance but he would like the opposition to be more specific and say wherein they would cut down expenses. Would they cut down the mothers' pensions, he asked, which cost the province almost half a million dollars a year? Would they shut down the P.G.E.? Would they close the university? The remedy, he believed, was to increase the population and thus increase the number of tax payers and distribute the burden.

Mr. Pattullo was given a splendid reception.

ANGLICAN CHURCH AT TERRACE PROSPEROUS

Most Successful Year in its History Reported at Annual Vestry Meeting

TERRACE, Feb. 4. — The annual vestry meeting of the Anglican Church was held in the church building Tuesday night, Fred Bishop presiding. Reports from the various organizations were read.

The churchwardens were able to report the most satisfactory financial year in the church history. The Women's Auxiliary also had a very successful year under the able guidance of their executive.

Mr. Fowler, superintendent of the Union Sunday school, gave a report of their work which has been doing splendidly. A cradle roll has been added this year to other departments.

Votes of thanks were passed to Miss Fowler for her faithful service as organist, to the members of the auxiliary and the choir and to the wardens and the vestry clerk, Geo. Powers. A vote of thanks was also passed to Rev. W. J. Parsons for assistance during Mr. Marsh's absence. Mr. Fowler spoke very feelingly in appreciation of Mr. Marsh's long and faithful service, the fruit of whose labors are beginning to be reaped in increasing abundance.

TELKWA

Great interest was evinced in the exhibition car of the Forestry Branch which was side tracked at Telkwa on Tuesday last. Both young and old took advantage of it and were keenly interested in what they saw. In the hall at night pictures were shown of various sections of the country where forestry branches are in operation.

YOU CAN EAT ANYTHING YOU LIKE AND NOT HAVE HEARTBURN

In all cases of heartburn there is a gnawing and burning pain in the stomach attended by a disturbed appetite, as when too much food is taken into the stomach it is liable to ferment and become extremely sour, vomiting occurs, and what is thrown up is generally sour and bitter. When you are in this condition you will find that Milburn's Laxa-Liver Pills will give you relief right away.

Mr. Joseph H. MacDonald, Christmas Island, N.S., writes:—"Two years ago I suffered all the time from heartburn. I took one vial of Milburn's Laxa-Liver Pills and have never been troubled since.

It is very nice to be able to eat anything you like and not have heartburn any more."

Milburn's Laxa-Liver Pills are 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Mrs. W. L. Paddon of Quick has been the guest of Mrs. Ernest Hoops during the past week.

A great change has taken place in the weather during the last few days. Instead of the hard snow roads of a few days ago, there now are roads of glass which are most difficult to the pedestrian. It may be that Spring will be exceptionally early this year.

Mrs. Joe Bourgon and her three children who have been spending the winter in Seattle have returned to Telkwa and will live in the Gellispie house on the River road.

Jack Tiedhurst who has been on the sick list for several days has returned to his duties at Dome Mountain mine.

Rev. J. S. Brayfield who was expected to have spent several months at Kincolith is returning this coming week.
