TALKING POLITICS IN INTERIOR RIDINGS

Olof Hanson Mentioned as a Possible Candidate for Skeena with R. S. Sargent Opposing Him

Reports from the interior indicate that some interest is taken in the forthcoming provincial election. It is understood that Hon. A. M. Manson will be again asked to be a candidate for the Omineca riding. For Skeena there is mention of the name of Olof Hanson, the lumber king. While at present it is only talk and it is not even known if Mr. Hanson would accept a nomination should it be offered him, it is generally felt that he is one of the most popular men in the district and would receive a large support.

On the Conservative side R. S. Sargent is spoken of as a possible candidate to oppose Mr. Hanson. He lives at Hazelton and is well known in that section of the constituency.

While Swanson Bay is in the Skeena riding, the vote there is not likely to be large because most of the residents are newcomers.

There is no suggestion as to who would run against Mr. Manson in Omineca. The attorney-general is so popular there that anyone opposing him is likely to lose his deposit, but there will pretty sure to be someone in the field and possibly two.

THE CROW OF CROUP A WARNING TO ALL MOTHERS

Croup starts with a dry cough and rattling in the throat; after which the croupy croup gives warning of the disease. The child, after tossing restlessly about, with start up with a flushed face, protruding eyeballs, and a distressing look of terror and anxiety. There is a struggle for breath, and the expectoration of the mucous matter is so difficult to get rid of that the effort appears to threaten strangulation.

On the first sign of the "croupy croup" mothers should administer Dr. Wood's Norway Pine Syrup, and thus give the child prompt and permanent relief, and perhaps the life saved by taking this precaution.

Mrs. H. A. Langhorn, Hamilton, Ont., writes:—"My little boy was very bad with the croup and I could not get anything to relieve him until I tried Dr. Wood's Norway Pine Syrup. I cannot praise it too highly for the relief it gave him."
