New Leader Of Conservative Party.

The selection of R. H. Pooley as leader of the Conservatives in the Legislature will make him official leader of the opposition and it is to be assumed that he will be leader of the party throughout the province. If the Liberals should be defeated, he would be the choice for premier.

R. H. Pooley is fearless and energetic but not magnetic. He life that is undoubtedly more colhas not the least semblance to an orator and lacks the ability to seize upon the big things and ignore the little ones. Many of man now appearing in any one of his criticisms of the Liberal administration have been puerile to his pictures. His personal adsuch an extent that his own followers have been anything but ventures are, collectively, far pleased. He got the position, undoubtedly, not because of his more interesting than any series outstanding ability but because of the lack of outstanding ability of adventures in any one of his on the part of any of the other members of the party who were elected.

Mr. Pooley is a Canadian who was educated in England. He followed his pictures enthusiastiis a member of the Union Club, where Victoria's select coterie cally, are aware, for instance, meets and where it is claimed Conservative policies have in the that the star has been a cowpast been formulated.
