Kergin of Atlin, Pattullo of Prince Rupert, Manson of Omineca, Perry of Prince George and Yorston of Cariboo by co-operation and unity of action were able to accomplish a great deal for Northern and Central British Columbia.

In the next House the North will be stronger by two seats, namely Skeena and Mackenzie, while Lilloet, adjoining Cariboo, seems certain to go over to the Liberal column. These eight seats cover three quarters of the area of British Columbia. By standing together, the representatives of these eight ridings can put up a strong front in the

# Asking People to Back Oliver's Struggle for Western Grain Route

Former Member Alberta Legislature for Peace River says Liberal will be Elected in Mackenzie Riding.

That the Oliver candidate in Mackenzie riding will be returned by a handsome majority is the honest conviction of W. A. Rae, until recently member of the Alberta Legislature for Peace River who has pioneered in that country for sixteen years, and who was in the city last evening. He is in British Columbia taking part in the election campaign because he believes in the coast outlet for grain and he sees in the return of the Oliver government the only way of impressing upon the East that British Columbia is in earnest in the matter.
