FURTHER PAVING BYLAWS ENACTED

Fourth Avenue East From McBride Street to Fifth Avenue Junction is to be graded

A local improvement initiative bylaw providing for the paving of Fourth Avenue East from a point 37 feet east of McBride Street to the junction of Fourth Avenue was introduced and given its first readings at last night's council meeting.

Other bylaws were similarly dealt with as follows:

Eighth Avenue East from McBride Street to the junction of Seventh Avenue.

Hays Cove Circle on the west side from Fifth Avenue to Seventh Avenue. (This will make it unnecessary to build the street across Booth School grounds which had been at first proposed).

Seal Cove Circle sidewalk.

Hays Cove Circle and Seventeenth Street paving bylaws were reconsidered and finally adopted.

Ald. Casey inquired what had happened to the bylaw providing for the building of a sidewalk on Eighth Avenue east from Alfred Street. The city solicitor replied that the matter woud be taken up with the city engineer.

ARISTOTLE WAS THE FATHER OF SCIENCE

And he said "Nature makes nothing without a purpose." Man has been given and has taken a command over nature which on the whole has been for the benefit of the human race. He has not yet been able to find a beneficial use for every natural thing but he has made wonderful progress in subduing the earth and making modern life one of comparative ease and comfort. Probably the most important factor in making our lives comfortable today is an inheritance from nature, namely, coal. And man in his restless desire to discover the best has brought to the market Nanaimo-Wellington coal which is now recognized to be the best obtainable. This coal has some wonderful qualities—freedom from clinkers and rock—small ash deposit and powerful, lasting heat—equally economical in furnace, range or fireplace.

This coal is obtainable only at Albert & McCaffery's and the public will be well advised in order to make sure they secure Nanaimo-Wellington coal and not a substitute to phone their orders direct to this firm. Their phone numbers are 116 and 564.

USING RADIO AT PACIFIC

Congregations Gather at School House to Listen to Outside Sermons

Radio is being put to good use at Pacific and, in spite of the fact that there is no preacher there and no church, goodly congregations now gather every Sunday evening in the school house to hear sermons from such places as Seattle and Portland. The set was recently installed by Mr. Bell, the school teacher.

A week ago last Sunday evening, the Pacific congregation listened to a sermon by the famous "Father" Matthews of Seattle and last Sunday they heard Rev. Phillips of Portland. Sermons from Calgary have also been recorded.

The set is also used to good advantage during the week and concerts have been heard clearly from as far away as the Atlantic coast.

NOVEL CONCERT LAST EVENING

Affair Staged in Boston Hall by Knights and Sisters of Pythias was Unqualified Success

The Hallowe'en entertainment given last night in the Boston Hall by the Knights of Pythias and Pythian Sisters was an unqualified success, 175 persons being in attendance. The program was of a very novel and interesting character as were the general arrangements all of which reflected credit on the committee in charge for its ingenious efforts.

Much fun was provoked through each person, on entering the hall, being compelled to pass through an ante-room where he or she was subjected to the antics of hallowe'en spooks. In the main hall, they were met by ghosts and escorted to their seats, the dim lighting further lending to the weirdness of the effect.

P. H. Linzey was chairman and the program was as follows:

March of the Ghosts led by Piper James Sturgeon.

Humorous recitation, J. G. Brady.

Vocal solo, Miss G. Jones.

Violin solo, William Murray, Junior.

Rustic impersonation, Harry Astoria.

Vocal solo, Mrs. J. J. Muldoon.

Blackface comic sketch, Joe Ratchford and Jack Cobb.

Vocal solo, Mrs. L. O. Larsen and for encore duet by Mr. and Mrs. Larsen.

Saxophone solo, Art Easson accompanied by Miss St. Cyr.

Recitation of her own composition, Mrs. W. Barton.

Dance, Miss Annie Gilchrist.

All the numbers were heartily encored. W. Vaughan Davies was accompanist of the evening.

After the program, refreshments were served and dancing followed to the strains of music furnished by Art. Easson and Miss St. Cyr. The affair broke up about 1 a.m.

The committee in charge consisted of W. W. Wood, convener, Harry Blake, W. R. Love, Mrs. Sid Hamblin, Mrs. Long, Mrs. T. J. Shenton and Mrs. P. H. Linzey
