## Burns' Abattoir

Worth Lot Here.

The proposed Burns' Abattoir will be worth a great deal to the people were not protesting the city. It is one of the necessary steps toward making this a but merely wanted more informadistributing centre, an adjunct to the port and something that tion. will bring business here more than anything else that can be City Solicitor Jones stated that slip it on her finger when she siderable real estate here and suggested.

Some objection has been taken to the location of the pro- not yet been signed, would proposed new building, the idea being that it may become a nuis- vide against any nuisance. ance. Doubtless the management of the company will be able to set at rest any such fears. Abattoirs are often built in the it was decided that the matter For our holiday it spoils; centre of cities and along the waterfront in the midst of the commercial activities. That is what is proposed here. It will be officer had made a report and between the railway freight yards and the water and close to before permission was finally YOU have heard of the wife dinavian Society, George Frizzell, the meat distributing shed of the Swift Canadian Company.

Residents must of course be protected against nuisances. That goes without saying. It is the duty of the health officer to MISS MORTIMER IS see that there is no nuisance that may become offensive. Under modern conditions an abattoir is not a nuisance. The one here is to be housed in a \$25,000 building, which is the first unit of Was Only Applicant With Proa complete packing house that will be established here later. A site has been chosen between Cow Bay and the Imperial Oil Dock. That is part of the industrial section of the city and the yard there will, it is hoped, very soon be covered with warehouses and other buildings.

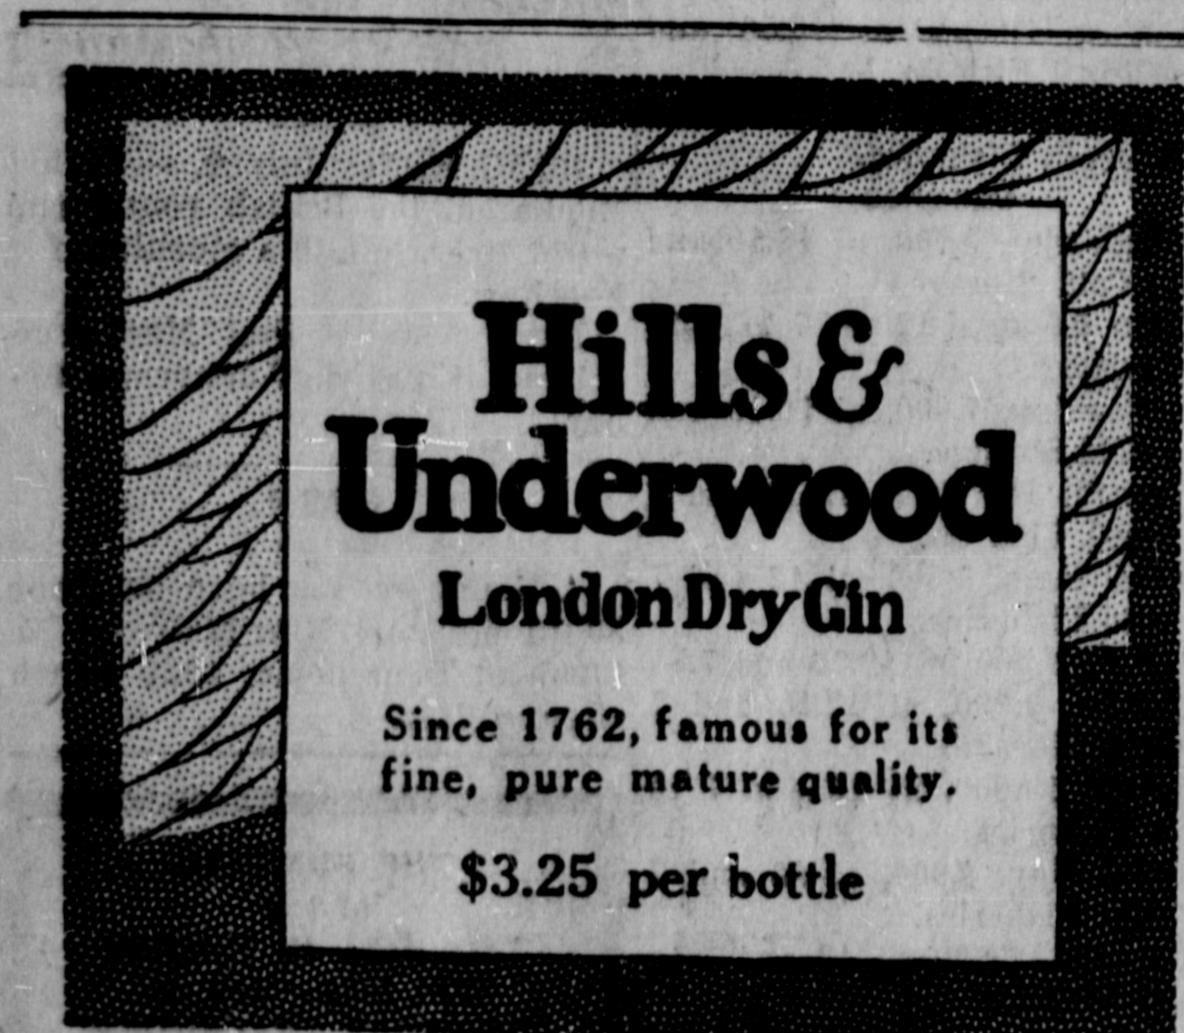

#### Why Not Clean Up Nuisance There Now?

No abattoir that can be built could be as offensive as the ries where she has been employed present Cow Bay mud hole where the sewer pours its fetid stench since in California, was Monday every day and no one seems to mind. For years this has been go- night appointed librarian ing on, yet the residents stand for it without even a public pro- Prince Rupert public library to test. For their sake and the sake of the city and its health and succeed Miss Muriel Grant who is for the credit of the port we suggest that steps be taken to leaving soon for Victoria where abate the present nuisance, which is of a most virulent type.

Visitors going to the yacht club have to pass it and there other applicants but Miss Moris a house built over it with people living in it. This surely is timer was the only one with proworthy of more attention than the proposed new buildling which fessional training and experiis to add to the commercial prosperity of the city.
