CONCERT AND DANCE AT ANYOX MINE CLUB

Was Well Attended Every Seat Being Filled by Appreciative Audience

Under the auspices of the Mine Club, a very fine concert program was rendered at the Mine Hall during the week and thoroughly enjoyed by an audience that occupied every seat. The talent was entirely Mine brew, and the encores testified to the satisfaction they gave in every instance. Sam Murray was the chairman in the absence of Al. Ployart, who was to have officiated, and there were no slow moments.

After the concert, which concluded about ten o'clock, dancing began and continued until midnight. Those taking part in the program were the Mine Mummers, who rendered the opening chorus; Ernie Dearlove, song; Maxwell Jack, song; Owens and Evans, duet; A. B. Brown, recitation; R. Johnson, accordeon solo; E. Blundell, song; Miss Violet McKay, song; Jack and Starling, duet; Mrs. A. Pynn, piano solo; Miss Edna Davis, song; Miss Davis and Mr. E. Blundell, duet; violin solo, Maxwell Jack, A. B. Brown, recitation. Mrs. Pynn accompanied Miss McKay and Mr. Harris was at the piano for all the other numbers.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.

FLOUR STILL IS ADVANCING

Export Demand Having Effect on Local Market—Feed is Also Stiffening

The price of flour is still climbing and predictions made in this column lately are coming true. The market for the next twelve months looks decidedly strong and prices may be much higher than at present owing to the tremendous export demand. Local dealers received notice on Thursday and Saturday of another two 20c advances per barrel of 196 pounds.

The feed market is strong although no advance is yet recorded locally. Rain is interfering with threshing operations on the prairies and some difficulty is being experienced in obtaining oats.

Crab apples and prunes are over for the season and also peaches. Concord grapes are still on the market but will soon be through. Picking cucumbers are finished for the year. Quince, at 2 pounds for 25c, and cranberries at 35c a pound, have just made their appearance.

Shelled walnuts are scarce and will be very high in price this year owing to the Chinese war which is centering around the nut growing country. There will be a shortage of the Manchurian cheaper grades which will affect other lines and the price will be regulated by supply and demand.

The new season's supply of Hallowi dates has just arrived. The stock is fresh and should command a ready sale.

FASHIONS & FOIBLES

by Shirley Sharon

Awning-stripe frocks are designed for modern youth who will have nothing if not new, and whose tastes incline toward the slightly sensational.

IF YOU are young and slim and like a little daring in your clothes, you will fall in love with the awning-stripe frock, the stripes in red, the neck and sleeves of the dress bound in red, and buttons like red-hot candies on each side of the opening. Brown and beige stripes are seen a great deal as well as the familiar blue and green awning stripes. Tub silks which usually present softer colors make very smart little dresses on this order. These dresses are so simple that whether one uses crêpe de Chine, silk crêpe or flannel, she can run it up within an hour of her week-end departure.

The money you make

isn't half so important as the money you save. Millions of dollars are wasted on expensive, indigestible foods—foods that supply no nutriment because they are not digested. Shredded Wheat supplies the greatest amount of nutriment at the lowest cost and with the least tax on the digestion. Being ready-cooked it saves fuel, saves time, saves money. Two of these little loaves of flavory baked whole wheat with hot milk and a little cream make a perfect meal. It is the most food for the least money.
