SPEED RECORD IN SECURING DIVORCE

Decree Secured in Fifteen Minutes For Alaska Girl in Seattle

SEATTLE, April 12.— A new speed record for a divorce decree was established here when Mrs. Mary Russell, aged 22 years, obtained a divorce in fifteen minutes, rushed out of the court room, took a taxi to the dock and sailed for Alaska on the steamer Admiral Rogers.

The young woman was married on January 24 in Seattle to V. J. Russell. She alleged that her husband deceived her as to his source of income and after their marriage admitted that he was a bootlegger, using these grounds as the basis of her divorce complaint. Russell was later arrested, tried and sentenced to the penitentiary, she asserted.

DUTCH FARMERS TO LOOK OVER COUNTRY

VICTORIA, April 12.—Information received by the Chamber of Commerce, points to good prospects of farmers from Holland taking over land on Vancouver Island in colony settlements. A party of Dutch farmers and business men is expected at Prince Rupert shortly to look over areas of agricultural lands in the district with a view to colonizing.

The subject is also referred to in a letter from the Department of Colonization and Development of the Canadian Pacific Railway. "An active immigration policy is being pursued by the British Columbia Government in Europe and other countries," says the letter, "and in this connection the Minister of Lands recently announced that a Dutch organization has offered to purchase 200,000 acres of land in the Stuart Lake district for the purpose of colonization of Dutch agriculturalists."

WHERE TEA GROWS BEST

The tea plant flourishes best on the well drained side of a mountain in a country where there is plenty of moisture and a warm sun. Certain parts of Ceylon, India and Java are ideal for the growing of delicious tea, hence from these countries come the finest varieties. "SALADA" is a blend of the choicest qualities grown, in these, the three most famous tea-growing countries in the world.
