Making wash day pleasant—

Just use Rinso where you used to use bar soap—for soaking, boiling, or in your washing machine.

THE hardest part of wash-day, rubbing, rubbing, rubbing, has given way to the new method of soaking the clothes clean with Rinso. This wonderful new soap gently loosens the dirt and a thorough rinsing leaves things white and glistening as you never could get them before.

Only spots where the dirt is ground-in, such as neck bands, cuff edges, and the like need a light rubbing, and a little dry Rinso rubbed on these spots quickly makes the dirt disappear.

Rinso is sold by all grocers and department stores

ONTARIO GIRLS MAY WEAR KNICKERBOCKERS

No Catholic Order Against Practice as Occurred in Manitoba

TORONTO, March 26.—Roman Catholic girls and women in Toronto are not likely to be barred by order of the church from wearing knickerbockers. Their Manitoba sisters have been ordered by the Archbishop at St. Bonifac to desist from such apparel.

"No such order has been issued here," was the statement of the secretary to Archbishop Neil McNeil. The Archbishop himself is out of the city.

"Is any such order likely to be issued?"

The secretary simply laughed. He was not prophesying, but it is a safe bet that no such edict is contemplated.

Sensible Girl

Rev. Father Lancelot Mincham was frank in his comments on the wearing of knickerbockers. "It all depends on the motive of the wearer, and their circumstances," said he. "The other day, in the big storm, I saw a girl in knickers hiking along, and I said to myself that is a sensible garb for such a day, but when girls come to mass in that kind of a costume it is a very different thing. If they wear them only when they went tobogganing or snowshoeing or skiing, I think there would probably be no objection. But, sometimes, these costumes are worn for other reason. That is where the objection comes in.

"If they wear them for swagger purposes, or to show off, it is natural that complaints should be made, and that is what has, no doubt, happened in Manitoba. Local sentiment and local circumstances count for a great deal, and no doubt the Archbishop is dealing with conditions as he finds them."

CALGARY'S TAXES ARE BEING REDUCED

CALGARY, March 26. — Calgary's mill rate this year will be 44 flat, the lowest rate since 1919. Last year the mill rate was 49.82.

The assessment for 1924 is $57,894,183. The assessment for 1923 was $59,656,292. The decrease is $1,762,109.

In announcing the mill rate Mayor Webster said that there would be no let up in the economy policy now in force. The commissioners would make every effort to effect further savings in their administration during the year.

In making up the 1924 estimates possible revenue from the proposed automobile tax and service tax has not been considered.
