BRINGING UP FATHER

FLIERS HOP OFF APRIL 1

Preparations Being Made for Start from Seattle: Will Pass Over Nanaimo

TAKING OFF WHEELS

VANCOUVER, March 20.—The four planes which will leave Seattle for Prince Rupert on April 1 have not yet commenced their round the world flight. In Seattle they will install entirely new engines of the Liberty type and the landing wheels will be changed to floats which will be used at Prince Rupert and Alaska and throughout until they reach the coast of China. A squad of mechanics will be busy getting them ready.

"Vancouver is hardly likely to see the American planes," say local air board officials. "This city is too far away for a practice flight, and on their way north to Prince Rupert, a distance of 650 miles, they will not come near this city. The maps and routes we have sent them follow more the steamer routes."

Although the machines will undoubtedly make practice flights before hopping-off on the Prince Rupert leg of the flight, and the new engines will be given thorough workouts, none of these workouts is expected to bring the planes in to Canada.

May Convoy Them

Residents of Nanaimo will probably see the machines when they are en route to Prince Rupert, as the course mapped out takes the fliers directly over that city.

If the take-off is at a favorable time of day machines from the Jericho station of the airboard may convoy the United States flight for a few miles to wish them good luck and godspeed, but no official arrangements have yet been completed in this regard.

FORMER RESIDENT IS NOW SOCIETY EDITOR

Miss Hazel Morancy on Staff of Daily Mirror, Manchester, New Hampshire

Miss Hazel Morancy, a past resident of the city and for some time in the employ of the Kelly, Douglas Company, is now society editor of the Daily Mirror, published at Manchester, New Hampshire. Miss Morancy is a niece of M. P. McCaffery.

Mr. McCaffery recently received a marked copy of The Mirror in which appears a very interesting page edited by Miss Morancy. Under the caption "Seeing the Shops with Sally," a review is made by Miss Morancy of the theatres, restaurants, hardware stores, gift shops, etc., written in a very chatty style and suitably illustrated.

Having recently broken into the advertising end of the newspaper game Miss Morancy finds it very interesting but says that it keeps her busy until late at night.

INDIGESTION GAS ON STOMACH PAINS AFTER MEALS

Many people suffer terribly from gas and pains in the stomach after every meal, and are kept in constant misery.

For the past 44 years Burdock Blood Bitters has been bringing hope and joy to thousands suffering from various forms of stomach trouble, helping them to eat three square meals a day; helping them to eat anything they wish, without having to suffer for it after.

Mr. Fred Nielson, Moose Jaw, Sask., writes:—"All last summer I was troubled with stomach trouble and indigestion, and also gas on the stomach. I could not eat anything except some light food and even then I would be bothered with pains after each meal. I could not work a whole day without being done out. I had tried everything; doctors, medicines and pills, until I read about Burdock Blood Bitters. have taken four bottles and it has nearly, if not completely, restored me to health again."

CLUB HOUSE NEEDED SOON

Old River Boat Hazelton Will Not Last Very Long and Will Have to be Replaced

The Prince Rupert Yacht Club will very soon have the work of building a new club house to engage their attention. The old river steamer Hazelton has done good service for a number of years but she will not last for ever and it is doubtful if it will be safe for her to remain where she is for another winter. Already the erection of a new and more commodious clubhouse has been engaging the attention of members of the club and this will become a live issue soon.

The coming summer will be a very important one in connection with the Yacht Club. A great many pleasure yachts are expected to cruise northward making this city their objective and they will all be welcomed by the local club where, so far as possible they will be given moorage and extended every courtesy. If there were a better clubhouse this could be done more effectively than is possible with the present accommodation.

VANCOUVER HASN'T ANYTHING ON HERE

W. H. Sherman Reports Capture of Early Butterfly Two Weeks Ago

"Vancouver has nothing on Prince Rupert as far as the early butterfly is concerned," says W. H. Sherman, who reports that he captured a beauty in his garden at the corner of Seventh Avenue and Tatlow Street two weeks ago. He still has it in captivity. Mr. Sherman says that butterflies were seen in other parts of the city fully a week before he got his.

Miss Mamie Fraser, daughter of George Fraser of Stewart, was soloist at the Women's Canadian Club meeting on Monday afternoon.

BADMINTON CLUB TO CLOSE SEASON WITH CHAMPIONSHIP EVENT

Tournament Will be Held on Afternoon of March 30

At a meeting of the Badminton Club held last night it was decided to close the season with a singles championship tournament to be held on March 30. Provided there are sufficient entries in each class there will be two cups presented, one for ladies and one for men. A committee has been appointed to have charge of the event, consisting of Bob Bartlett, W. H. Hamilton, Ed. Jenner, Miss Caroline Mitchell, and Miss R. R. Scott.

The treasurer reported that the finances of the club were in good shape and there would be a balance on hand to commence next season with.

Those present at the meeting were H. F. Pullen, Alex. Rix, George Rorie, D. Corker, W. H. Hamilton and Miss Caroline Mitchell.

GROTTO BEAT ELKS IN BILLIARD GAMES

Aggregate Score, Including One Defaulted Game, Was 990 to 596

The Grotto billiardists came within 10 points of the possible when they defeated the Elks in last night's city league tournament by an aggregate score of 990 to 596. Failing to put in a man to oppose W. J. Nelson, the Elks lost one game by default.

Results of the four games were as follows:

G. Waugh (Grotto), 200; C. Balagno (Elks) 124.

D. Brown, 190; F. Stephens, 200.

J. Suden, 200; A. A. Easson, 142.

J. Judge, 200; W. Mitchell, 130.

Sport Chat

The baseball challenge issued last week by the Inlander Mess is to be taken up by the Gyro Club, the executive of the latter organization having instructed the chairman of its sports committee, Norris Pringle, to act accordingly. Providing arrangements are carried out satisfactorily, the game will be staged some Sunday afternoon soon and the proceeds or a part thereof will go to the Gyro playground fund. The match will probably be the first to be staged this season. Considerable talent, it is said, is to be found both among the Inlander and Gyro members and the contest should not be devoid of some skill at the American national pastime in spite of the fact that so far there has not been much opportunity for practice.

The Stewart Tennis Club at its annual meeting held last week elected officers for 1924 as follows:

President, W. C. Cameron.
Vice-President, S. G. Lawrence.
Secretary Treasurer, H. D. Rochfort.
Committee—Mrs. A. McLeod, Mrs. W. H. Watson and Mrs. H. P. Gibson.

Although the snow has hardly left the ground at the northern mining town, preparations are already under way for an active season. It has been decided not to build a new court this year but repair the old one.
