HE SURE FELT MEAN BUT MENDED HIS WAYS

Said a well known local man the other day "Well, Sir, the meanest feeling I ever had come over me was last Christmas morning. I had passed up the Christmas card idea entirely and of course was deluged with all sorts of lovely Christmas greetings from relatives and old friends. And there, I hadn't sent out a single one. I thought then if everyone had been like myself a lot of real joy would have been lost. I determined to see that nothing of the sort occurs this Christmas. I am going to dispense sunshine on the "glad morn" as well as receive it." Your private greeting card can be selected at Rose, Cowan & Latta's, Fourth St., from our wide range at moderate cost, and cards will be printed on day of order. Phone 234.

GRAIN IS RUSHING TO LAKE HEAD IN ORDER TO GET AWAY

WINNIPEG, Dec. 9. — Line elevator operators in prairie provinces continue to rush their grain to the lake head in the attempt to move as much as possible before navigation closes according to grain reports issued by Canadian National officials.

While farmers' deliveries to the elevators are commencing to stack up, loadings over the Canadian National lines are maintaining an even level, and from 20,000 to 40,000 bushels are being loaded daily from elevators. Grain in storage at country points on Canadian National lines on Saturday night amounted to 11,170,000 bushels. Loadings during the days were 507 cars containing 668,000 bushels, while inspections over the week end amounted to 1079 cars. Nine vessels cleared from the lake head Saturday with 1,853,000 bushels of grain, four loaded yesterday and nine are due to arrive.

Saskatchewan maintains the high loading record so far with 241,000 bushels marketed, 311,000 bushels loaded, and 50,255,000 bushels in storage on Saturday. Alberta marketed 180,000 bushels, loaded 159,000 bushels and had 3,409,000 bushels in store.

A total of 56,473 cars containing 7,537,000 bushels has been loaded on C.N.R. lines since August 18, and of these a total of 1,287 cars had been delivered to Vancouver.
