Must Be Possible To. Make Will of People HOPE TO HOP Prevail on Great Measures of Concern To Whole People.

RONDEAU, Ont., Aug. 20 .- Premier Mackenzie King, Hon. George P. Graham, minister of railways, and Hon. James Murdock, minister of labor, addressed a gathering yesterday afternoon, the premier going into some details as to what is was proposed to do to make the Senate understand that the Commons is boss. While the Senate, he said, had its duties and obligations in relation to the rights to different provinces and any step taken will be with due regard to what the fathers of confederation had in mind when they established the Senate as one of

the bodies to be concerned with legislation, the Premier said he believed people would expect the WILL ABANDON Liberal government to see the machinery of government is so arranged as to make it possible that the will of the people should prevail in those great measures which are of vast concern to the Regret Expressed in Japan people as a whole.

Canada's Place in the Empire Will Be Discussed by Cabinet Meeting Tomorrow or Friday

OTTAWA, Aug. 20.—Canada's relations with the Imperial Government are likely to be discussed by the Dominion cabinet tomorrow or Friday. P. C. Larkin, London commissioner, will give information as to conditions overseas. Trade, immigration and financial matters will be discussed.

The Dominion Government has of late been asserting itself very strenuously in connection with the position the Dominion holds as an integral part of the British Empire. In a speech a few days ago Premier Mackenzie King stressed the fact that
