The WASHTUB...

Something you're glad to tell "Good-bye"

There is no woman who does not enjoy saying "good-bye" to the washtub. And there is no need for any woman to even have one about the house. For our Wet Wash Service does all the washing and returns your bundle, fragrantly clean, ready to starch, iron or hang out to dry. When you see how well it is done and how little it costs—that is when you'll say "good-bye" to the washtub forever.

WITH POISON GAS ON A NEARBY ISLAND

TACOMA, Oct. 27 .- A barrage of gas, combined with the use of poison, has eradicated the rabbits on Smith Island, in the trance to Puget Sound. The rabbits had become such a pest on the island that they were undermining the foundations of the government lighthouse and the naval radio compass station here. Finally an appeal was made to the United States biological survey and Leo K. Couch, in charge of the work in this state. planned warfare against the rabbits. Thousands of them were killed in a week by calcium cyanide gas introduced into their burrows and by poison put on apples. The gassing was done

Is your wife wiser than you?

IF YOU read only the stock and sporting pages, and your wife is like other women, she is wiser than you. She reads the shopping news.

She likes to hear you jingle money in your pockets. She likes to stretch money to the limit, so she won't have to ask for more. She likes to shop strategically. Know what she does.

Comfortably at home in a cushiony armchair, she scans advertising columns. She compares, judges and selects the goods she desires; maps her route; with least effort and minimum time, goes direct to the planned store and buys.

She obtains what she wants at the lowest price it is offered. She is certain of full satisfaction, for she knows advertised goods live up to their claims. She saves time and steps, and returns sufficiently alert to enjoy new advertisements--- and to prepare you an appetizing dinner.

These advertisements are written for your benefit too. Read them. Help her help you save.
