BASEBALL BOXING WHIST — OF THE DAY — HERE AND EVERYWHERE — FOOTBALL BILLIARDS HUNTING

ANNUAL MEETING OF BASKETBALL ASS'N IS HELD

J. Campbell Elected President for 1924-25 Season and James Marks, Secretary Treasurer

Election of officers for the forthcoming season and discussion as to the most suitable place to play the league games this winter were the principal items of business at the annual meeting of the Prince Rupert Basketball Association which took place last evening in the city police court. There was a good attendance of those interested in the sport, those present being Fred Gilhuly, J. Campbell, Sidney Bazzett-Jones, R. Garrett, W. Mitchell, Miss Willa Dyer, Caroline Mitchell, D. Balfour, V. Meagher, Chester Clapp, Mike Budenich, J. McNulty, George Shenton, J. Sims, Harry Love, H. Floyd, Harry Menzies, Ralph Smith, C. Folsom, E. L. Zetterman, Eddie Smith, Harry Breen, Douglas Frizzell, George Blythe, Lee Dell and R. B. Skinner.

Secretary's Report

The secretary's report showed that disbursements for the 1923-24 season had amounted to $809.24 and there was a cash balance on hand of $145.24. It had been a fairly successful season in which league games had aroused a good deal of interest. In games with outside teams, the locals had showed up well The various league competitions had resulted in the trophies being won as follows: Senior, Sons of Canada; Intermediate, Colts; Ladies', Maple Leafs, and Boys' Junior, High School. Thanks were due Miss Mills for the valuable work she had don in connection with the Ladies' and Boys' leagues also to the referees, doorkeepers and caretakers. The report suggested that the rules be revised this season and strictly adhered to. Teams sent for outside competition should be selected by the league and be representative of the best talent in the city.

Election of Officers

The election of officers for 1924-25 resulted as follows:

Honorary President, J. H. Pillsbury.

President, J. Campbell.

First Vice-President, Miss S. A. Mills.

Second Vice-President, C. Folsom.

Secretary Treasurer, James Marks.

The executive will also consist of delegates from the various teams.

Fred Gilhuly and Harry Breen, the retiring president and secretary-treasurer respectively, declined nominations for re-election.

After the election of officers, Mr. Gilhuly turned over the presidental chair to Mr. Campbell. A vote of thanks to the retiring president and executive was proposed by Eddie Smith and carried enthusiastically.

Playing Quarters

The matter of obtaining a venue for this year's games was then discussed. Three places were spoken of—the Elks' Home, Auditorium and Exhibition Hall. On behalf of the Elks, C. Folsom suggested that the Basketball Association submit its proposition to the Elks for decision at the next lodge meeting. The use of the Elks' Home, he thought, might possibly be arranged for again this year but there would have to be a definite arrangement, which the Basketball Association would be responsible for. The discussion following showed that a good number of those present were more in favor of getting the Auditorium for the games. It was finally decided to leave the matter in the hands of a committee consisting of Harry Love, J. Marks and J. Campbell who will report at an executive meeting next Thursday when entries will also be received.

League Teams

The Senior League this winter will probably consist of three teams—Sons of Canada, Colts and Regiment. H. Floyd, representing the regiment, stated at the meeting that it was the intention to enter a team in the Senior League.

Miss Caroline Mitchell reported that an amalgamation of the Adanacs and Teachers' teams of last year was being proposed. This would leave probably three teams in the Ladies' League—the other two being the Maple Leafs and possibly the Telephone Girls.

The make-up of the Intermediate and Junior League will be largely similar to last year, it is anticipated.

HUNTERS RETURN

With a bag of seven geese and about sixty mallard ducks among them, a hunting party consisting of Milton Gonzales, S. K. Campbell, Joe Greer, S. W. Taylor and A. R. Nicholls returned yesterday afternoon from a successful five day hunting trip to Gilt-to-Yees in Douglas Channel and Hartley Bay. The trip was made in W. E. Williams' gasboat Shawatlans and a splendid time is reported by the nimrods.

Sport Chat

The returns of the World Series were bulletined this year at the Prince Rupert Pool Room in a very complete manner with the result that daily, coincidentally with the progress of the games in Washington and New York, crowds of Prince Rupert fans were allowed to follow the play just about as it occurred. The messages coming through from the news operators at the matches were handled with dispatch by the Canadian National Telegraphs and little time was lost in transmission. Through the courtesy of Ben Self, proprietor of the pool room, the Daily News was given details that did not come in the regular dispatches of the day.

—o—

Another world series is over. Probably never before was there such a meeting as this between the New York Giants and the Washington Senators in which from start to finish, so much interest was commanded. Every game with the possible exception of the fifth was a real thriller with every advantage hard fought for and the outcome being in doubt till the ninth inning. Then, as a climax today, the two teams met this afternoon in a sudden death finish. The Senators had a double record to win—the world's championship as well as the first pennant in the 50 years or more history of the club. The Giants also had a record in the balance—that of being the first team to win four world's series.

PILFERED SPOONS AND LOST MUCH MONEY

ISCHL, Austria, Oct. 10. — A woman's handbag was found recently in a local restaurant and, upon being opened, revealed 2,000,000 Austrian crowns, worth about $2,800, along with two silver coffee spoons belonging to the restaurant and marked with its name.

The proprietor advertised for the owner, but in vain. It was apparent the woman in question preferred to lose the $2,800, rather than acknowledge the pilfering of the spoons.

SCHOOL SPORTS ARE UNDER DISCUSSION

Objection Taken to Evening Games; Handicap of Borden Street Owing to Lack of Grounds

The matter of school games and sports was discussed by the school board in a dissultory way at the meeting last night. Objection was taken to school children playing games down town after dinner, the opinion being expressed that all games should be before six o'clock.

Miss Mills said they were badly handicapped at Borden Street School from lack of a playground. All they could play in the way of organized games was volley ball and that was only on the boys' side.

The evening games which had been criticized had nothing to do with the schools. They were arranged by the basketball association and she had acted for them simply because they could not get anyone else.

Principal Hartness said he had been called on by the boys to referee a number of basketball games. The boys at his school were keen on the games.

The secretary was ordered to purchase three basketballs for the use of the schools.

In answer to Trustee Williams Miss Mills said that the pupils last year who had been keen on sports and had led in class work.
