*With Rinso—*
*snowy-white clothes just by soaking*

SIMPLY soaking in Rinso suds loosens dirt, so that it rinses right out.

The old wearing method of rubbing soap on the clothes and then rubbing the clothes is done away with. There is no need of it with Rinso.

Only the dirtiest places—where dirt was actually ground in—will need just a light rubbing. Where this is necessary, use a little dry Rinso.

Rinso is made by the makers of LUX—the largest soap makers in the world. It does the family wash as wonderfully as Lux does fine things.

### AN AWFUL ATTACK OF PIMPLES ALL OVER HIS FACE

Pimples breaking out on the face and other parts of the body is a sure sign that the blood is not in proper shape.

While the skin is the object of the attack the real seat of the disease is in the blood on account of the entire circulation being poisoned.

Burdock Blood Bitters quickly and effectually banishes pimples and all other skin diseases as it goes right to the root of the trouble by cleansing and enriching the blood.

Mr. Conrad Anderson, Kelfield, Sask., writes:—"A year ago I had an awful attack of pimples. They broke out all over my face and I could not get rid of them in any way. One day a friend told me about your Burdock Blood Bitters and let me have a bottle he had to spare. After using it I noticed a change, so I bought three more bottles, and now I don't know there is such a thing as pimples."
