TO COMPLETE NURSES' HOME

Hospital Board Advances $5,000 to Committee—Total Cost, $17,932.28

All funds already on hand for the purpose having been exhausted, the hospital board last night decided to advance $5,000 to the Nurses' Home committee to cover the balance to be paid on account of the construction of the home. S. K. Campbell reported to the board that the total cost of the building would be $17,932.28. All of this sum had been paid with the exception of $1,625 which it was now required to find. He moved that a loan of $5,000 be granted by the board to the committee to complete the building.

Items enumerated by Mr. Campbell in the construction of the building were as follows: Clearing lots, $151; excavation, $466.56; foundation walls, $1,303.12; heating, $1,393.60; hardware, $249.56; electric fixtures, $162.50; McKechnie contract including extras, $13,191; plans and specifications, $605; insurance, $80; other items, $55.

Ald. Collart inquired about furniture and was told by President Stewart that it was intended to use that which the board already had. Ald. Collart also had other questions to ask about the construction of the building and received answers to his satisfaction. T. Ross Mackay, President Stewart and Mr. Campbell showed that the cost had been well within the estimate of A. A. Cox.

E. H. Mortimer inquired where the board was to obtain the $5,000 requested and was told by President Stewart that it could be borrowed at the bank. President Stewart also stated that the drive had obtained about $13,500 for the building.

Mr. Campbell's motion was seconded by D. C. McRae and carried.

T. Ross Mackay reported that the building should be completed by Saturday, January 19. Some of the painting might be left over until spring when weather was more favorable.

ENCOURAGING ANYOX BOYS IN BOXING ART

Instruction Will be Given and Medals Put up for Competition

ANYOX, Jan. 5.— In order to encourage the art of boxing among the school children of Anyox, Stan Pamphlin of the Beach and Mr. Williams of the Mine have agreed to instruct youngsters desirous of learning something of the game's fine points. To further create interest three medals have already been offered for a competitive evening to take place some time in March, the donors being Wm. Robertson, A. L. Pleyart and F. M. Kelley. These competitions for medals are to be open to school children only.

HOLIDAY SEASON AT ANYOX CELEBRATED

Mine Mess Had New Year's Dinner — Salvation Army and Anglican Entertainments

ANYOX, Jan. 5. — The Mine Mess celebrated the holiday season on New Year's Day with a five o'clock dinner, turkey, pudding and all the rest of Christmas eatables being supplied in abundance by the Granby Company. A concert was provided in connection with this dinner and everybody enjoyed it. At the noon hour, the Anyox brass band attended and played appropriate selections. The Salvation Army provided a treat for Mine children on the afternoon of the same day and the Anglican Church entertained the Sunday school children on the evening of the day following.

FINE NEW YEAR'S DANCE AT ANYOX

Affair Held Under Elks' Auspices Was Both Novel and Successful

ANYOX, Jan. 5.—The dance on New Year's Eve in Recreation Hall under the auspices of Anyox Elks had the biggest turnout since the night of the hospital dancing affair. The committees in charge extended themselves on this occasion in every way to put over something worth while and different and they succeeded.

The hall was decorated with streamers arranged tastefully, the colors being those of the order. This effect was carried out in the lighting as well, the lamp shades being colored in keeping with the general scheme.

At the hour of eleven the customary service of Elks gathered together was observed, and when supper had been partaken of and the hour of midnight approached a novelty in the shape of a monster snowball was deposited in the centre of the dance hall and from it, as the hour struck the departure of the Old Year, the Misses Bonnie Chapman and Jean Moffatt stepped out and executed a pretty little dance which was loudly applauded. This was the signal for general well-wishing; fancy headgear was passed around and donned and great quantities of confetti and serpentine were used in fittingly welcoming 1924.

The chairman of the Elks' entertainment committee is Harry Thorley, on whom the greater burden of the work in connection with the dance fell, although he had able and willing assistants in Messrs. Nickerson, Lafortune and St. Clair. Others who helped were H. A. Berry, W. Robertson, H. Bogben, H. Chapman and C. Gray.

A welcome surprise was furnished the great crowd present when an orchestra of six pieces struck up the opening number. The musicians gave the greatest satisfaction throughout the evening, the orchestra consisting of piano, Mrs. Sawney; violins, C. McMillan and G. Leslie; cornet, P. Stevenard; trombone, S. Steele; drums, E. Waterman.

WHO said Prince Rupert was a windy city?

A DOCTOR has said that smoking after meals is an aid to digestion. Probably the cupidor will become conspicuous at the afternoon teas in future.

IT is rumored that the rumor one hears so frequently on the street was merely a rumor of the rumor rumored by the rumormer.

IT is said that controversy waxes hot around the Ford motor plant as to where the doors in a Lizzie should actually be put. Might be a good idea to furnish a can opener with each car and then the doors could be cut just where the purchaser thought he'd like to see it.

YOUR BOY and HIS FUTURE

NO one starting out in life ever expects to fail. Youth is always hopeful but hope alone cannot bring success.

If your hope is to see your boy a success in the world, securing independence and comfort—the vision of so many, yet the attainment of so few—adopt a regular savings plan for him now, and teach him in his tender years the value of saving something out of every dollar.

THAT WAY LIES HIS SUCCESS.

Ten Years Ago in Prince Rupert

January 5, 1914.

Mr. and Mr. F. C. Wright of Graham Island are here enroute to Vancouver on a holiday. Mr. Wright is local manager for the Graham Island Coal and Timber Syndicate.

Supt. Graham for Bates and Rogers, concrete contractors on the G.T.P., have returned after a business trip to the south. He states that the concreting of Ross' big tunnel would be completed within the next six weeks. The tunnels around Kitselas are done and the slow order to the trainmen are taken off. At mile 44 about forty feet at the western entrance of the tunnel is being concreted and it will be ready in a few days.
