FAMOUS BASKET BALL TEAM IS TO PLAY HERE

Local Ladies to Have Match With Favorite Knits of Cleveland, Former World Champs

A local select ladies' basketball team will play here next Monday with a world's champion team, the Cleveland Favorite Knits.

The Cleveland Favorits Knits, formerly world champion ladies' team, is playing the Edmonton Grads at Edmonton this week for the championship of the world. Their second and last game will be this evening and the Cleveland team will return home via the Pacific coast, passing through here from train to boat on Monday evening next.

Negotiations opened by W. D. Vance of this city to arrange for them to play a game with a Prince Rupert picked ladies' team while here, came to a successful conclusion today when a wire of acceptance was received from the Amerian girls.

The Edmonton Grads, who are going to the Paris Olympiad soon, defeated the Favorite Knits in the first of the games on Tuesday.

LACROSSE LEAGUE OPENS NEXT WEEK

Series of Eight Games Will be Played Between Maple Leafs and Kaiens for Stork Cup

An eight game league schedule for the Stork Cup, significant of city lacrosse championship, will open next Wednesday, according an announcement made this morning by Harry Lipsett, vice-president of the Prince Rupert Lacrosse Association. The competing teams will be the Maple Leafs and Kaiens which have been practising assiduously of late. The games will take place weekly on Wednesday evenings.

Last night a practice was held and there was a large turn-out including many youngsters who are being encouraged to take up the game.

Stan Taylor has resigned as secretary of the Lacrosse Association and Bob Frizzell has been appointed to succeed him.

Sport Chat

The Sons of England will battle with the Sons of Canada in tonight's football game for the honor of sharing first place as far as number of league victories is concerned. A win tonight for the Englishmen would have that effect although they would still have one more defeat against them than the Canucks. The latter are not worrying, however, over this eventuality being brought to pass and are confident that they will again be able to deal with the Old Countrymen in a manner satisfactory to themselves. The Sons of England on the other hand consider their chances very good.

The Sons of England will line up the following team:

Harvey, goal; Dick Lambe and Art Lane, full backs; Cameron, Kelsey and Hodgkinson, half backs; George Howe, Dickens, Tinker, Hurn and George Hill, jr., forwards; Dick Howe and Cole, reserves.

Progress is being made by the Gyro Club and the civic board of works on the plans for the installation of a swimming pool and playground equipment in McClymont Park. The city engineer has laid out the space and the work of fabricating the Gyro Club's paraphernalia is proceeding at the dry dock. It is still the expectation to have the whole project complete and ready for use by the end of this month.

FOR 15 YEARS WAS TROUBLED WITH ECZEMA

There is no other remedy like Burdock Blood Bitters that can possibly give such relief to all sufferers from eczema, salt rheum and all other diseases of the blood for the reason that this old and well tried remedy goes right to the seat of the trouble and completely and permanently drives these diseases out of the system by cleansing the blood and making it pure and rich.

Mr. F. W. H. Schultz, Pembroke, Ont., writes:—"Having been troubled with eczema for fifteen years, during which time I tried everything I could think of, including doctors, but without getting anything to do me much good I finally decided to take Burdock Blood Bitters, and I was certainly surprised to find that two weeks after I had started to take it I was relieved of my trouble. That was nine months ago, and I have not had a sign of it since. I surely wish to thank you for this wonderful medicine and strongly recommend it to anyone suffering from the same trouble as I had."

B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

TO THE PUBLIC:--

It has come to our attention that various persons nominated for seats in the Legislature have stated publicly that the recent increase in price granted us by the Liquor Control Board for our product was given in return for political assistance, material or otherwise. We most emphatically state that no conditions of this kind were connected with the matter.

In fairness to the Brewers it is felt that the general public should be in possession of the actual facts. After the introduction of the Government Liquor Act following the Plebiscite held in the year 1920, the Government was asked to pay $16.50 per barrel free of Sales Tax, and as a result of numerous negotiations, the brewer's share of the Government sale price was finally fixed at $15.00 per barrel. Subsequently, however, the Dominion Government imposed an additional Excise Tax of $1.21 per barrel, and increased the sales tax. The Provincial government disputed the right of the Dominion to charge a sales tax, but the brewers had to pay it, and have an unsettled claim of some $200,000.00 against the Liquor Control Board. This despite the definite promise on the part of the authorities that if the Government were not successful in its legal fight against the Dominion Government that they would repay the Brewers. During the period of two years following the introduction of the present Act, the B.C. Government earned approximately $2,000,000 from the sale of beer, whilst during the same period one brewery was forced into liquidation, paying only twenty cents on the dollar, whilst the other breweries barely weathered the financial gale. As the result of constant and persistent demands on their part, it was finally agreed to increase to $16.50 the price per barrel to the Brewers, and this was subsequently ratified by order-in-council.

Under these circumstances it will be readily seen that our price is over $1.79 per barrel short of what we originally asked, which was a modest figure as is evidenced by the prices paid by the government of Alberta and Manitoba, both of which provinces are paying $21.00 per barrel as against $16.50 paid by the B.C. government to ourselves.
