FINE FOOTBALL GAME IS DRAWN

Callies and Veterans Each Made Two Goals in Stuart Shield Fixture Last Night

The best football game of the season and one of the most keenly contested ever staged in the city was the Stuart Shield fixture last night between the Callies and Great War Veterans which resulted in a two all draw. It was even all the way through and there was little to choose between the two sides. Combination play was much in evidence and featured the match.

The Veterans, with the grade and light in their favor, opened the scoring about fifteen minutes after the opening when Norwood, with splendid judgment as to time and placing, put the sphere past three defence men and completely surprised the goalkeeper who thought he was amply covered. From the centre-off, the Callies worked the ball up the field and Sammy Elder slipped it to W. Hamilton who did not delay in making a nice goal of it. The rest of the half was back and forth but there was no further scoring.

With the grade now in their favor, the Callies got away and pressed hard in the second half and things looked none too bright for the Vets. The defence of the soldiers, however, did much to save the day though the Scots made another tally when Bob Woods kicked in a close one which gave the goalkeeper no chance. With the chances still more against them, the Vets tried hard to equalize but the Scottish defence was right on the job. Ten minutes before the final whistle, however, Norwood slipped through the opposing defence and scored another pretty goal for the Vets.

Player Was Hurt

Fifteen minutes before the close of the game, Sammy Elder, Callie forward, had an impact with Knox, the Veterans goalkeeper. The former was knocked out and it was five minutes before he came to. A doctor was called and it was found that the player was badly hurt though perhaps not quite as bad as it might have been.

The stars of the game were the goalkeepers and centre halves on either side. The Veterans were not quite as strong in the forward line as they might have been and their performance in this department was eclipsed by that of the Callies.

Tom Jones refereed, J. G. Johnson and A. Clapperton were linesmen and the teams took the field as follows:

Great War Veterans — Knox; Barton and Hunter; Findlay, W. Murray and W. Mitchell; Robinson, Russell, Hutchinson, Norwood and Hopkinson.

Callies—J. Campbell; J. Sims and W. E. Williscroft; G. Abbott, S. Currie and J. Harris; W. Hamilton, Bob Woods, S. Elder, Geo Cochrane, and J. Andrews.

PRESENTATION GEORGE RUSSELL

Popular Soccer Official Honored On Eve of Departure For Old Country

George S. Russell, popular football official of many years standing in Prince Rupert, was honored by the Prince Rupert Football Association and league teams at a pleasant ceremony which took place last night in the city council chamber. Mr. Russell is leaving next week to spend several months revisiting his old home in the north of Scotland and occasion was taken to express personal esteem and appreciation for the faithful and efficient service he has so consistently and freely given in promoting and conducting soccer in the city.

On behalf of the Prince Rupert Football Association, President George Hill presented Mr. Russell with a beautiful solid leather club bag bearing a suitably inscribed silver plate. W. Murray, captain of the Great War Veterans' team, presented Mr. Russell with a diamond and pearl tie pin from all the clubs of the league. Eulogistic remarks were made by Mr. Hill, Mr. Murray and Jack Judge of the board of control, and Mr. Russell replied suitably.

Those present and taking part in the function were Mayor Newton, Ald. Macdonald, Ald. Casey, George Hill, president of the Football Association; D. C. Stuart, past president; William Brown, vice-president; R. Gates, George Kelsey, Bert Morgan, W. Reid, James Black, James Campbell, Jack Frew, Harry Love, Frank Vickers, A. Clapperton, John McDougall, Jack Judge, Tom Jones, Fred Roberts, J. G. Johnson, Jimmie Johnson, J. Watson, W. Murray and W. Barton.

The first half of the City Baseball League's time table being completed, the schedule for the second half will commence on Friday night of this week. R. Garrett, secretary of the League, expects to get the schedule out, together with a statement of the standing of the three teams to date, about the middle of this week.

A revival of the international baseball games between Prince Rupert and Ketchikan, which up till a few years ago provided interesting annual features for fans, both here and at Ketchikan, will be welcomed by local baseball enthusiasts. The proposed return excursion to Prince Rupert at Fair time this year should prove attractive and will undoubtedly receive the support of the Fair Board.

Ty Cobb, baseball's most famous player and manager of the Detroit Tigers, has announced that he will retire. After this year he will not play regularly, though he still expects to participate in a few odd games. In an interview given recently in Toronto, Cobb said that Englishmen were especially suited to the playing of baseball and he hoped to see it played in all parts of the British Empire before long.

FIVE THOUSAND A MONTH RETURNING FROM UNITED STATES

Surprisingly Large Number Come Back While Few Are Leaving.

VICTORIA, July 29.—Three or four persons of other than Canadian birth on Vancouver Island are turned down daily by the United States Consulate in Victoria on their application to leave Victoria for permanent residence in the United States, since the new quota regulations from July 1 have been in effect, it was reported at the U. S. Consul's office today. Canadian born citizens who have free entry into the United States on showing birth certificates and measuring up to the usual physical and mental standards are leaving from Vancouver Island at the rate of about five a day, it is reported.

Back To Canada.

On the other side of the ledger reports received by the Chamber of Commerce show that many Canadians are returning from the United States. Figures received by the Chamber to date place the number of returning Canadians to this country at five thousand a month. No definite figures have been kept by the Canadian Government in the past regarding Canadians but in the last few months an accurate record has been kept which shows a surprisingly large number returning.

A quota of eighty Old Country born from Vancouver Island to the United States is allowed for the year ending July and this has already been filled. It is made up of two classes, preference and non-preference. The preference class includes the unmarried man of eighteen years of age and the father, wife, husband, or mother of a United States citizen. Skilled agriculturists are also included in the preference class.

Ignorance Regarding Quota.

Ignorance of the quota regulations is the cause of disappointments for the three or four who are turned away each day. Reports around the city of dozens being refused application daily to leave for the United States are contradicted by the report that only three or four a day are being rejected.

TOO SLEEPY TO WORK BUT ABLE TO STEAL

New York, July 28.—Alfred J. Intermont, 18, of West New York, is being held by the police for investigation of his claim that he is unable to hold a regular job because he is "too sleepy." He is charged with stealing twenty-five overcoats from a department store. When he told Justice Maloy of his unfortunate handicap in regard to work, the latter ordered the police to hold him in the Tombs.
