COLUMBUS CLUB DEFEATS GIL'S

Heavy Hitting Started in Third Inning and Tobaccoists Beaten by 18 to 5

The Columbus Club defeated Gil's in last night's City League baseball game by a score of 18 to 5. The teams started off evenly each scoring three and two runs respectively in the first and second innings. In the third the Catholics got their batting eye and made a flock of hits and runs off Frizzell. From then on the Columbus Club continued to climb on the score sheet and Gil's remained scoreless. It was a six inning game.

Howard Frizzell and J. W. Hamilton comprised the battery for Gil's until the fourth inning when Tom Clarke was brought in from the outfield to replace Frizzell and Charlie McKeown made up the battery for the Knights of Columbus for the entire game.

James McKeenan refereed and the teams took the field as follows:

Columbus Club—McKeown, c; H. Astoria, p; R. Frizzell, 1b; L. Astoria, 2b; B. Wendle, ss; T. Halverson, 3b; A. Rudderham, lf; Fred Henning, cf; F. Newman, rf; J. Atherley, pf.

Gil's—J. W. Hamilton, c; H. Frizzell, p; Sidney Bazzett-Jones, 1b; George Hill, 2b; A. A. Eason, ss; W. Lambie, 3b; Tom Clarke, lf and p; D. Frizzell cf; M. Budenich, rf.

SWIMMING TANK GENERATOR OF HEAT

All Agreed That Work Shall be Done But Method of Doing it is Source of Discussion

There was a little heat generated at the city council meeting last night over the question of the swimming tank which the city is to construct at McClymont Park.

A proposal had been made by Alderman McMordie to save several hundred dollars by constructing the tank in the bottom alongside the present stream. Alderman Perry objected to this and quoted the engineer as recommending against it. He moved that a former recommendation be accepted.

Alderman McMordie objected to this and asked why the report of the engineer had not gone to the board of works. He would like to see the report. The mayor asked for it and it developed that there had been only a verbal report.

Need of Haste

Alderman Perry urged the need of haste in order to get the tank ready for use this year. It would

take three weeks or a month to do the work after it was started.

Alderman McMordie took strong exception to railroading the matter through without the board of works having a chance to discuss it. The last report was that the tank would cost \$1,560 and it was to be built on property which did not belong to the city.

Alderman Casey also thought the matter should go to the board of works to consider the pros and cons and then come up next week.

The work of levelling the ground for the Gyo Club is to proceed but the tank plans are held over for a week for further consideration by the board of works. All are agreed that the work is to be done but the method is under discussion.

PRINCE RUPERT GIRLS, THOUGH BEATEN 26 TO 8, PLAYED GOOD BASKETBALL WITH EASTERNERS.

(continued from page one)

certainly a well set up lot and in poundage undoubtedly outweighed the locals. Faced with a lighter group of opponents, it was apparent that the Cleveland girls were not extending themselves very hard but they showed that they were good sports in spirit as well as in practice. A picked team sent out to play for the championship of the world, it goes without saying that each individual sustained her position well. Caroline Mitchell worked hard and was without doubt the most effective member of the Rupert team. Myra Harvey also played creditably and Pete Tremayne, though lighter than her opponent, was game and made things trying for the American girls whenever she was called upon.

Nellie Kyr was the outstanding player for the visitors and entered into the affair enthusiastically—so much so that she was ordered off the floor in the third quarter. This young lady scored the first basket of the game and was responsible for eleven of the 26 points made by her side. Caroline Mitchell made the first for Rupert after some nice passing up the floor and made four for the locals 8.

Elizabeth Wagemaker was hurt in the first period and the game was held up a few minutes until she returned to the floor. Some of the members of the local team were visibly excited during the early part of the game and, as a result, missed some chances.

Lineups and Scoring

All the ten girls who had been chosen to represent Prince Rupert got into the game at various times, Myra Harvey, Pete Tremayne and Caroline Mitchell playing all the way through. The

Visitors Entertained

The Knits arrived in the city on the afternoon train. Following their games at Edmonton, they spent a few days at Jasper Park and passed through here returning by way of the Pacific Coast. Last night they sailed for Vancouver on the Prince Rupert. There was a delegation of local basketball officials at the station to meet them as they arrived and to farewell them as they sailed.

After the game last night, there was a dance in their honor, music being furnished by an orchestra comprising A. A. Eason, Miss St. Cyr, Kenny Rood and J. Provost. A large number stayed over to take part in the dance and avail themselves of the opportunity of personally meeting the visitors.

Accompanying the Cleveland team on their trip are Mr. and Mrs. Kemeny and little son. Mr. Kemeny is their coach. The American girls had an unofficial but live roofing squad on hand, this consisting of a number of young men whose acquaintance they had made on the train trip West.

Sport Chat

The Callies and Sons of Canada, known of old as joint purveyors of red hot football, met tonight in their last league game for the Mobley Cup and city championship. While the Sons have a cinch on the league honors already, the game should be an attractive one not only because of the keen rivalry that always exists between these two aggregations but because second place honors are at stake. The Scots and Sons of England are now tied for that position and, if the former should win tonight's game, they will be ahead temporarily at least subject to the outcome of the game between the Vets and Englishmen on Friday night. Should the Callies be beaten tonight and the Englishmen by the Vets in the final game, the latter would go to second position. Thus second, third and cellar places have yet to be settled in the two games remaining.

A Prince Rupert resident, who attended a recent lacrosse game at Ocean Falls, says that the Prince Rupert team will have to get busy if it is to win the game
