MOST OLD FOLKS REQUIRE A HEART AND NERVE TONIC

After middle age little sicknesses and ailments seem harder to shake off than formerly as the heart action becomes weak and uncertain and the nerves are not as steady as they were in the younger days.

Now is the time when all aged people who wish to maintain their health and vigor and retain their energy unimpaired should use

MILBURN'S HEART AND NERVE PILLS

Mrs. M. O'Connor, Whitestone, Ont., writes:—"I have been troubled, most of my life, with shortness of breath, palpitation of the heart, and fainting spells. I was advised, by a friend, to try Milburn's H. & N. Pills, which I did, and at once found relief, and I have never had a really bad spell since. I am 80 years of age and I always keep them in the house, and feel that with their help I will see many years yet. I always recommend them to anyone who is suffering from heart trouble."
