

OXO Feeds the Family's Needs

The family needs good food—especially young children. OXO food *is* good food, because OXO is the concentrated nourishment and goodness of prime lean beef in the most assimilable form.

Add OXO to your meat-dishes—soups, stews, hash, croquettes,—and see how much better they taste,—and how the children will enjoy them!

Give the children a cup of hot OXO, too, when they come home from school. OXO warms and strengthens as well as feeds.

OXO Blanc Mange

Dissolve 2 Cubes OXO in pint hot water, pour into pan and place on the fire. Mix tablespoon corn starch with a little milk nice and smooth. Add it to the OXO and stir for 4 or 5 minutes until it thickens. Then pour the mixture into a basin to cool.

HE SURE FELT MEAN BUT MENDED HIS WAYS

Said a well known local man the other day "Well, Sir, the meanest feeling I ever had come over me was last Christmas morning. I had passed up the Christmas card idea entirely and of course was deluged with all sorts of lovely Christmas greetings from relatives and old friends. And there, I hadn't sent out a single one. I thought then if everyone had been like myself a lot of real joy would have been lost. I determined to see that nothing of the sort occurs this Christmas. I am going to dispense sunshine on the "glad morn" as well as receive it." Your private greeting card can be selected at Rose, Cowan & Latta's, Fourth St., from our wide range at moderate cost, and cards will be printed on day of order. Phone 234.
