FIRST PERFECT SCORE OF SEASON YESTERDAY

H. Floyd Turned in Possible of 35 at McNicholl Creek Range—Prize Shoot Soon

The first possible of the season on the McNicholl Creek range was made yesterday when H. Floyd turned in a perfect 35 at the 500 yard distance. There were only five men out so no spoon was awarded for the day. A prize shoot will take place early in October.

Yesterday's scores were as follows:

	200	500	600	Tot
H. Floyd	26	35	29	90
R. Wilson	27	33	24	84
M. M. Lamb	30	23	24	77
W. Brass	23	28	24	75
S. B. Jones	17	18	20	55

GOBBLES GOLF BALL

TALLAHASSEE, Fla., Sep. 22.—A possible eagle on the course of the Tallahassee country club here was made impossible by a real eagle, the big bird swooping down on the eighth green to seize a golf ball as it was trickling in the general direction of the cup. Fred C. Elliot was the victim and gained scant comfort from the assurance that the eagle was "an agency outside the match" and the incident could not be held "a rub of the green."

QUITE SO

Teacher—Children, can any of you tell me what is the most dangerous part of an automobile?

Nick Murchie sailed for Ocean Falls on the Prince Rupert Saturday night.

Sport Chat

The eastern professional hockey situation is all in a mix-up and none of the club managers seem to know where they are at. It had been expected that there would be six clubs in the National Hockey League this season with a new English speaking team in Montreal and one in New York. It has been found, however, that New York will be unable to operate the franchise this winter. However, the new Montreal club has been formed and five teams are now available. A magnificent new arena is being built in Montreal and it is said that Tex Rickard and his associates will have one ready for hockey in New York by the time the 1925-1926 season comes around.

Sir Thomas Lipton, the smiling Irish sportsman and sailor, who tried so many times for the America's Cup, announces again that he will try once more says the Montreal Star. It is said that he is much buoyed up in his hopes of capturing the celebrated trophy at last by the news that the Herreshoff yards at Bristol R.I. where most of the opponents for his Shamrock yachts were built, has been scrapped. A great deal of credit for keeping the America Cup in America has gone to the two brothers, Nat and John Herreshoff. Nat was the designer and John, the business head. The latter is now dead. The Vigilant was the first Herreshoff yacht to successfully defend the America Cup.

TOOK MILK GOAT ON RUNNING BOARD OF CAR

GREELEY, Colo., Sept. 22.—Motor tourists no longer give up all the comforts of their homes when they travel through the west.

One party of travellers from North Dakota, which passed through Greeley recently, had a milk goat harnessed in what the animal seemed to regard as a comfortable position on the running board of their car. Members of the party explained they were accustomed to goat's milk, and that they saw no reason for doing without it because they were travelling.

HIS ONLY CHANCE

"You are always taking economy to the public."
"I got to take somebody into my confidence," answered Senator Sorghum. "There's no use talking economy to my family."

DUCKS AND GEESE BUT FEW GROUSE

Hunters Did Not Get Big Bags Yesterday but Number Did Lot of Shooting

Plenty of shooting but not a lot of game seems to have been the result of yesterday's hunting. Ducks are not plentiful yet but there were more to be seen yesterday than the previous week end. They are rather wild, however, and not many were brought home. There were no big bags although most hunters got a few.

Geese seem to be flying freely but they are extremely wild and difficult to secure. George Bryant got three at one shot last evening and a number of others brought in one or two.

Deer are still at the top of the mountains and very few were brought in. Several people went to the interior after grouse but the weather was bad and there was no game on the train last night when it arrived.

THE BOY BOB

Constance Talmadge Introduced The New Fashion in Hair Dressing at Hollywood

The "boy bob." The latest thing in Hollywood. Constance Talmadge has introduced the new fashion in hair dressing. "I'm never going back to long hair again," says Constance. "In fact I have had my hair bobbed shorter than ever. I like the new 'boy bob' and think it's quite the most sensible style of hair dressing yet brought out."
