Operation not Necessary After Taking This Famous Fruit Medicine

8928 UNION ST., VANCOUVER, B.C. "I suffered with all the symptoms of Female trouble, with chronic Consti-pation and constant Headaches. I had pains low down in the back and sides of the body. A doctor advised me to have an operation.

I started taking "Fruit-a-tives" and this medicine has completely relieved me of all my misery and suffering. I am free of pain and headaches and the terrible Constipation, and what saved me is the fruit medicine, "Fruit-a-tives."
