Efficiency and Conditions

Standards of efficiency are dechains easterly along low water mark; sirable in the interests of both employers and workers, and should be established by exam-ARTHUR ROBERTSON. | ination and certification. ..

Recognised conditions are de-IN THE SUPREME COURT OF BRITISH sirable, but, in view of the varyng needs of individual homes.

claims against the said Estate are hereby be established by the local em-March, A.D. 1924, and all parties indebted the question and form local assoamount of their indebtedness to me, forth- clations of employers and workers to agree upon conditions.

The extension of day work is difficult, because of the objection private employers to any change in their accustomed procedure, but with careful organization day workers could take a much larger share of the domestie work of the country than is at present considered feasible.

The question of status is crucial one which can only be influenced indirectly. Ill-founded attacks and ridicule add to the difficulties of the position, and Pure Strawberry Jam, 4 lb. | are to be strongly condemned.

Registry Offices

ing exploited by many registries. and the making of bylaws for the proper control and supervision of registry offices should be made compulsory on local authorities.

An appeal is made to newspapers to co-operate with local authorities and honorable employment agencies to suppress bogus advertisements.

Women domestic workers the statutory age should be entitled to the parliamentary vote on the same residence qualificaacres, may be leased as homesites, Commenting on the female do- conditional upon a dwelling being erected in the first year, title being

mestic servants' idea that girls in other employment have better opportunities of marriage, committee remark:

The faculty of reasoning has little influence in matrimonial adventures as a whole, or the ob- company. vious advantages which trained domestic workers possess wives and mothers would quire no emphasising.

It is suggested, however, that more liberal and definite hours numbers ranged, priority being given of leisure, "especially at times may form associations for range when other workers are free,", would go far to remove the dif- campers and travellers, up to ter

SYNOPSIS OF

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted b British subjects over 18 years of age. and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning reguations regarding pre-emptions is given in Bulletin No. 1, Land Series. 'How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Gov rnment Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5.000 board feet per acre west of the Coast Range and \$,000 feet per acre east of that Applications for pre-emptions are

to be addressed to the Land Com missioner of the Land Recording Di vision, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner. Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) and \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites or timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment stumpage.

obtainable after residence and improvement conditions are fulfilled and land has been surveyed.
