IS LECTURING HERE ON TUBERCULOSIS

Travelling Medical Health Officer is Talking at Schools This Afternoon

Dr. A. S. Lamb, travelling medical health officer for the province, is in the city under the auspices of the provincial board of health in the course of a tour of the province in connection with the fight being waged against tuberculosis. He is giving a series of public talks at the places he visits and this afternoon is addressing the pupils of the High School and High School Entrance classes. On Wednesday evening he will address a public meeting in the Booth School.

Dr. Lamb has been conducting this tour since last August and is on the last lap of his journey. He will visit Stewart, Anyox, and then return and go up through the interior returning by way of Jasper. He says that everywhere he goes he finds great interest being taken in preventive work and especially by members of the medical profession.

MATHEMATICIANS TO MEET IN TORONTO AND BRITISH ASSOCIATION

Special Congress to be Held With 150 Delegates Expected to Attend

TORONTO, June 2. — (Canadian Press). — Mathematicians from all parts of the globe have signified their intenton of attending the seventh International Mathematical Congress which is taking place in Toronto in August, concurrently with the meetings of the British Association for the Advancement of Science. As all previous sessions of this body, which constitutes an international parliament on mathematical matters, have been held in Europe, the University of Toronto and the Royal Canadian Institute are singularly favored in being honored with the first Congress to be held on this continent.

Over 150 delegates from Europe are already pledged to attend the session, including 18 leading mathematicians from the French universities. Representatives from the United States, as well as from all Canadian universities, will bring the total attendance to several hundreds, it is expected. Full intercourse between the leaders on each side of the Atlantic in the realm of symbols and numbers will be possible, as the Dominion and Provincial governments have each set aside $25,000 to assist in defraying the expenses of the meeting, and the bulk of this money will be used to reduce the travelling expenses of the delegates from Europe.

Japanese mathematicians have been invited to the conference and acceptances are expected from a number of them. The Mathematical Congress is affiliated with the International Scientific Union, formed at Brussels in 1922. This gives full voice in the meetings only to the countries which are members of the League of Nations, which accounts for the absence of German names on the list of those coming.

English will be the language of the sessions wherever possible, but those who do not feel confident to express their views to audiences in the English language, will be allowed to speak in other tongues.

TONGUE COATED, BAD TASTE IN MOUTH, EYES TINGED WITH YELLOW

Liver Trouble the Cause

Mrs. A. C. Brown, Oromocto, Ont., writes:—"I have been troubled with my liver for a few years back, and was so bad I did not feel able to do my work.

I had severe pains in my stomach, so bad I could hardly stand them at times; coated tongue; bad taste in the mouth, especially in the morning; whites of eyes tinged with yellow, and had a muddy and allow complexion.

I had read a great deal about Milburn's Laxa-Liver Pills and decided I would try a vial, and after taking two or three I found I was greatly improved, and can truthfully say that I felt more like living and can now do my own work without any trouble."

Milburn's Laxa-Liver Pills are 25c a vial at all dealers, or will be mailed direct on receipt by The T. Milburn Co., Limited, Toronto, Ont.

FIVE THOUSAND LOTS GOING TO TAX SALE CITY OF EDMONTON

EDMONTON, June 2.— Seventeen pages of the current issue of the Alberta Gazette are utilized by the city of Edmonton for the official advertisement of lands liable for tax recovery proceedings. Nearly 5,000 pieces of city property are included in the list, and practically all the subdivisions are represented. The redemption on these lands will expire on December 15 next, when certificate of title will issue to the municipality in all cases then unredeemed.

An additional list of delinquent lands in other municipalities throughout the province is also given in the Gazette, representing towns, villages, and municipal districts. So far as the tax recovery act is concerned, no favors or invidious distinctions appear to have been made in respect to any part of the province, all points of the compass being included in the official notices.

MAY WEATHER

Precipitation During Month Totalled 7.6 Inches and Bright Sunshine 152 Hours

The following weather report for the month of May is issued by H. O. Crewe, Dominion meteorologist:

Mean temperature, 50.1.

Maximum temperature, 79, on May 12.

Minimum temperature, 32, on May 9.

Rainfall, 7.6 inches.

Hours of sunshine, 152.

SHOOTING TOOK PLACE IN POURING RAIN AT MCNICHOLL YESTERDAY

Shooting at the McNicholl ranges yesterday was done during pouring rain and the scoring was below the average owing to poor visibility. The party crossed in Malcomb Lamb's boat. C. Lemon was the spoon winner. Scores for 200, 500 and 600 yards were as follows.

C. Lemon—19, 27, 28; total, 74.
W. Brass—18, 22, 25; total, 63.
Wright Davies—20, 26, 17; total, 63.
R. Wilson—17, 21, 24; total, 62.
M. M. Lamb, 20, 26, 24; total, 62.
W. Harrobin—16, 20, 21; total, 57
H. B. Eastman—14, 19, 14; total, 47.
A. Squires—14, 18, 14; total, 46.

Sport Chat

Sporting events of the week are scheduled as follows:

Monday night—Senior football, Callies vs. Great War Veterans.

Tuesday night—City baseball, Sons of Canada vs. Knights of Columbus.

Wednesday night — Lacrosse practice.

Thursday night—Senior football, Sons of Canada vs. Sons of England.

Friday night—Senior baseball, Sons of Canada vs. Gils.

From a weather standpoint, the City Baseball League has been having bad luck in getting its season's schedule started. The opening game on May 24 between the Knights of Columbus and Sons of Canada has been the only fixture so far played while the games on May 26 and May 29—Gil's vs. Sons of Canada and Knights of Columbus vs. Gil's respectively—had to be put off on account of rain. Dates will have to be found for these games as the season advances. Gil's team has yet to make its first appearance and, if all goes well, this will take place against the Sons of Canada on Friday night. The football league so far has been able to get in between the showers and all scheduled games up to this week have been played.

Heartened by their draw last Friday night with the Sons of Canada, the Great War Veterans will take the field tonight against the Callies in the Senior Football League. In their first engagement of the season with the Scots, the Vets were beaten by a score of five to nil but they have been showing better form since then and are hopeful that they will be able to turn the tables. The Callies, on the other hand, are expecting that the jinx which has been following them in recent games will depart and that they will make a better showing. To give credit where it is due, it may be said that the Callies team, through departure of members from the city, is not nearly as strong now as it was when the season started. The match tonight should be an interesting one.

The Great War Veterans will field the following team in tonight's football game: W. Knox; C. McAuley and F. Hunter; G. Findlay, W. Murray and W. Mitchell; D. Gurvich, W. Barton, O. K. Lord, J. Johnson and N. Carney. Reserves: C. Whatman and F. A. Roberts.

BOATH ARRIVALS

C.N.R. steamer Prince George, Capt. Nedden, arrived in port from the south at 3 o'clock Saturday afternoon with the following passenger list—about half in half for Prince Rupert and Stewart:

For Prince Rupert—Dr. and Mrs. George Hanson (Smithers), C. F. Barton, J. M. Hoar, Mrs. J. Dickson and Miss Dickson (St. Louis), Mr. and Mrs. E. West (Prince George), J. Kerr, H.
