NEW YACHT FOR HUNTING AND FISHING PARTIES

Being Built at Seattle and George Eastman of Kodak Fame Will Charter Her First

SEATTLE, May 5.—Built especially for use in Alaskan waters by big game hunters and other sportsmen, a $40,000 power yacht eighty-six feet long, is now taking form on the ways of the Martinolich yard in Dockton, Vashon Island, was disclosed today. The vessel is to be launched the middle of May and to be ready to go into commission the latter part of June. Her lines follow those of the cannery tender type, the construction being unusually heavy because of the requirements of northern waters.

The yacht is being built for the Alaska Coast Hunting & Cruising Company, of Eugene, Ore. Campbell Church, of that city, who is one of the principal owners of the company, is now in Seattle conferring on details with L. E. Geary, naval architect, who designed the new yacht. The plans call for a beam of 18 feet 6 inches and a draft of 7 feet. The yacht will be equipped with a 110-horse power Diesel engine, she will have a cruising radius of 3,500 miles.

Leave for Alaska

George Eastman, of the Eastman Kodak Company, of Rochester, N.Y., has taken the first charter on the yacht. She will be turned over to him shortly after her completion and he will then leave for Alaska waters with a party of friends. The Eastman charter covers July, and during that month the party will hunt and fish. At the end of the summer, the yacht will be turned over to other sportsmen who have taken a charter for two and a half months during the Autumn. On the cruise she will go to the Alaska Peninsula, where the party will hunt bear and other big game. Another charter for two and a half months for hunting has been closed for next Spring.

Mr. Church is well pleased with the progress on the yacht. He is well known in the Northwest and Alaska as a big game hunter. He hunted on the Alaska Peninsula last year, returning with a number of trophies.

The vessel will have stateroom accommodations for eight persons. The forecastle has accommodations for a crew of three, with five extra bunks for guides and packers.

DISPUTE OVER DOCTOR CLEM DAVIES, VICTORIA

Objection Taken to His 205 New Members Accepted During the Year

VICTORIA, May 5.—The annual Church meeting of the Centennial Methodist Church has been adjourned in order to get before Dr. Chown, superintendent of the Methodist Church for Canada, an appeal against the ruling of Rev. Dr. Sipprell of the Metropolitan Methodist Church, who refused to accept the 205 new church members taken into the Centennial congregation or to recognize them as members of the Methodist Church.

The congregation of Centennial are solidly behind Dr. Davies and there is a possibility of a cleavage which will result in a large body of methodists leaving the ranks of Methodism for good and forming an independent congregation.

Dr. Davies is a modernist in his doctrine and methods and so popular is he that every Sunday he turns away hundreds from his services owing to lack of accommodation. Other churches are feeling the drain on their congregations and do not like it.

Preached to 7,000

At a recent sunrise service on Easter morning Dr. Davies preached to seven thousand people on the top of Mount Tolmie and every Sunday service is followed carefully by thousands of listeners in on the radio. Sick people, who are unable to attend church, listen to the centennial services and hear the sermons and music.

Dr. Davies was last year refused membership in the Methodist conference but the church was left without supply and the congregation chose Dr. Davies. The receipts for the year as shown at the annual meeting were $13,387 as against $7,800 the previous year.

ASSISTANT FORESTER RESIGNS POSITION

P. Sharkey Leaving Here at End of Month to go Farming in Washington

P. Sharkey, assistant district forester, has submitted his resignation from that position effective for May 31 and will be leaving the city with Mrs. Sharkey and family about that time for Ferndale, Washington, to go farming on a property which he acquired this winter. The state of Mrs. Sharkey's health was the factor actuating the decision to make a change.

Mr. Sharkey, who has been a most popular and conscientious official has been with the Forest Branch since it was established in 1912 and he has been located in Prince Rupert for nearly three years. Many friends in the district will regret to learn of his decision to leave.

Mr. Sharkey's successor has not yet been appointed.

TONGUE COATED, BAD TASTE IN MOUTH, EYES TINGED WITH YELLOW

Liver Trouble the Cause

Mrs. A. C. Brown, Oromocto, Ont., writes:—"I have been troubled with my liver for a few years back, and was so bad I did not feel able to do my work.

I had severe pains in my stomach, so bad I could hardly stand them at times; coated tongue; bad taste in the mouth, especially in the morning; whites of eyes tinged with yellow, and had a muddy and allow complexion.

I had read a great deal about Milburn's Laxa-Liver Pills and decided I would try a vial, and after taking two or three I found I was greatly improved, and can truthfully say that I felt more like living and can now do my own work without any trouble."

Milburn's Laxa-Liver Pills are 25c a vial at all dealers, or will be mailed direct on receipt by The T. Milburn Co., Limited, Toronto, Ont.

He arrived by train on Saturday night and, after making the trip to Stewart, sailed for Vancouver on the Prince George last night.

Mr. Regamey is a native born Frenchman and this is his first visit to Canada. He was delighted with the scenery in the West and said that it was more splendid than anything that was offered in Europe. He was particularly impressed with the beauties of the C.N.R. Rockies, the Bulkley and Skeena valleys and the Portland Canal trip.
