"Triffing with Honor"

One of the most enthralling and exciting dramas in months. An epic of the great national game-baseball. All the underlying drama of the game is expressed as well as its comedy moments. The story of a girl's great love for a man who in the eyes of the world was an outcast, until through the power of that love he was brought back to a position of honor in the eyes of millions. Query! How long should a girl wait for a man? This is a picture for the whole family.

Dainty Dorothy writes: The hand that rocks the cradle rules the world; By this same hand the flag

of Thrift's unfurled. DAINTY DOROTHY WRITES

Being a militant woman doesn't necessarily mean trying to make a speech from the top of the desk of a U.S. senator. It means the avoidance of wastefulness in food-stuffs and in clothing and other ways. A slight inexpensive change in a gown or suit and perhaps the cleaning of it will make it stylishly serviceable. May we offer our experienced helpfulness?

PRE-EMPTIONS Vacant, unreserved, surveyed

Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner. Pre-emptions must be occupied for five years and improvements made

to value of \$10 per acre, including clearing and cultivating at least five scres, before a Crown Grant can be For more detailed information see the Builetin "How to Pre-empt
