BRINGING UP FATHER

DIFFICULT FEAT WAS SCALING OF GEIKIE

Two Canadians in Party That Reached Summit Very Successfully

JASPER, July 19.—In connection with the ascent of Mount Geikie, the feat which was accomplished by two Canadians—Cyril Wates of Edmonton and Malcolm D. Geddes of Calgary, accompanied by Val E. Fynn of St. Louis, it is interesting to note that they made their first ascent on July 12 and finding passage too difficult they decided to return and attempt the southeast side, which route had been unsuccessfully attempted in 1922 by Mr. Wates and Dr. Bulyea of Edmonton. In that year Wates and Bulyea got within 300 feet of the summit when they were compelled to turn back.

On July 14 Wates, Geddes and Fynn left camp at 2.30 in the morning and climbed a steep snow gully and up rock chimneys and cracks, one of which led the climbers into the heart of the mountain, finally emerging like a tunnel on the north face with a drop of over 3,000 feet to the Tonquin Valley below.

Four in Afternoon

After reaching the altitude where they had been in 1922 the party traversed a narrow ledge encircling the south side of the mountain and reached to top at four o'clock in the afternoon. In doing so they faced a difficult and dangerous rock climb, having to overcome rotten rock and fallen stones at many points. The party descended by moonlight, reaching their camp at 4.30 on the morning of July 15 exhausted by the trip but happy over their success.

Two other parties are attempting to climb Mount Geikie this month, but the honors of first reaching the summit must go to Wates, who has just successfully completed his third attempt. Another party headed by Dr. Thorington, noted American climber, were attempting the ascent with Guide Conrad Kain when they saw the Wates party at the top and turned back.

BODDIE DEFENDS ACTION OF SWIMMING CLUB

Editor Daily News.

I feel that a few corrections in R. L. Newcomb's letter of protest in yesterday's issue of your paper are necessary in order to keep the Swimming Club in its proper light before the public.

I have no apologies to offer in connection with the promise I made about the Transportation Committee's deliberations. If the owners of the launches for hire at Cow Bay would have phones installed they might possibly do more business.

The number of times we have called on you Mr. Editor for assistance through your paper, places you in a position to know the financial condition of the Swimming Club, and the ways and means it has of raising funds.

Object of Club

Instead of the Swimming Club being run for the benefit of the Prince Rupert Boat House as stated, its object is to afford the citizens a place to spend a holiday, where they and their children may learn to swim in safety.

The program of construction work which the Swimming Club attempted this year is about completed, and this work must be paid for. It seems unjust criticism to come from Mr. Newcomb when the club is trying to raise money to settle its obligations, and finish the season with a clean slate.

The Pioneers' Association offers the Swimming Club any profits that may accrue from their picnic tomorrow. Mr. Newcomb should be broad visioned enough to see that the more money spent on improvements will directly benefit him in a business way.

Fair Price

Just a word as to why arrangements were made with the Prince Rupert Boat House for Sundays picnic. Their boats are the fastest and most commodious; from their float to the lake is the shortest route; they agree to take any number of people acress and bring them back, and if a great number of people come at once they are prepared to accommodate them all. The Committe being offered this service at a very fair price accepted the offer.

In conclusion I just wish to say that if all those who use the Salt Lakes would buy a membership badge it would not be necessary for the Swimming Club Club to raise money from the proceeds of picnics, etc.

J. BODDIE,
President Swimming Club.

INVITED TO VISIT BULKLEY VALLEY

Prince Rupert Board of Trade Asked to go to Interior and Get Acquainted

A letter has been received by the board of trade from the Smithers board of trade inviting local members to visit the Smithers district on the double ocasion of the Smithers fair and the Telkwa barbecue. The idea of the invitation is to enable members of the local board to inspect the Bulkley Valley in her productive garb. In advancing the suggestion the Smithers board of trade pointed out that the development of Prince Rupert was the special interest of the whole interior, and the invitation is being extended as a means of getting acquainted.

Ten Years Ago in Prince Rupert

The fisheries cruiser Falconer which is engaged in investigating the oyster beds of British Columbia, was towed into port yesterday with a broken shaft. She is being repaired at the Rupert Marine Iron and Supply Works.

The dominion public works department has just completed the clearing of three acres of ground surrounding the wireless station on Digby Island. The work was ordered to be done by the navy department. Mr. Jackson and the other boys at the station will now have a nice garden plot to work out their enthusiasm and the wireless will probably have one of the prize gardens of the district.

Sport Chat

Jack Burns, light-heavyweight wrestler of Spokane, who is seeking a match in this city, received a wire from Nels Jepsen, light-heavyweight champion of Canada, Edmonton, yesterday afternoon stating that the Burns' terms were O.K. to him. It is probable that Nels Jepsen will be chosen by the local promoters to meet Burns.

Six members of the Havana Tennis Club are en route to Ottawa where they will enter the Davis cup tournament to be played July 24-26. The players are: Ignacio Zayas, G. Villalle, Vincent Banet, Raoul Chacon, Rogelio Paris and Oscar Cicero.

Gaston Vidal, French minister of sport, recently stated in Paris that the 1928 Olympic games would be held in Los Angeles and that Amsterdam had waived her claim.
