ST. ANDREW'S LADIES AFFAIR IS SUCCESSFUL

Sum of $60 Realized as Result of Tea, Sale and Card Party Yesterday

The sum of $60 was realized by the Ladies' Auxiliary of the St. Andrew's Society through a tea and sale of home cooking and candy held yesterday afternoon and a card party last night.

The tea tables, which were adorned with daffodils and spring foliage, were presided over by Mrs. W. L. Sandison, Mrs. H. F. Glassey, Mrs. George Scott and Mrs. Alex. Macdonald. Mrs. D. S. Cameron, assisted by Misses Ethel and Marion Christie, was in charge of the home cooking booth and the candy department was in the hands of Mrs. B. Dalgarno and Mrs. W. Robb. Mrs. W. Anderson was cashier. The raffle of a butter dish, presented by Mrs. J. L. Christie, resulted in Mrs. Arthur being declared the winner.

There was a good attendance at the whist and "500" party in the evening and the winners were as follows: first ladies' whist, Mrs. McRobbie; consolation ladies' whist, Mrs. J. S. Irvine; first men's whist, M. Lemon after cut with J. Arthur; men's whist consolation, J. McKechnie; first ladies' 500, Mrs. W. D. Moxley; consolation ladies' 500, Mrs. W. Reid; first men's 500, Mayor S. M. Newton; consolation men's 500, Harry Breen.

The committee in charge of the card party consisted of Mrs. Geo. Abbott, Mrs. R. Davie and Miss May Reid. George Abbott presided at the door.

CLUB EXECUTIVE IN FAVOR CITY OFFER

Final Decision on Negotiations For Rock Removal Left With Bondholders

Subject to final ratification of the bondholders, the executive of the Prince Rupert Club has decided in favor of meeting with the city's request to give 24 feet frontage of club's property on Second Avenue in return for the city taking the rock from under the premises. The question was discussed at a general meeting of club members last night.

The club at present possessing three lots, the giving of 24 feet to the city would still leave a clear 11 feet over and above the 40 foot width of the building. The original offer of the club to the city was 14 feet.

SURPRISE PARTY

Home of Mr. and Mrs. Sturgeon Scene of Festivities Last Night

A merry group of friends invaded the home of Mr. and Mrs. Sturgeon last night and enjoyed the evening in dancing, games, and songs, keeping up the fun until an early hour. Among those present were Mr. and Mrs. James Simpson, Mr. and Mrs. J. W. Murray, Mr. and Mrs. John Bremner, Mrs. Yagar, Mr. and Mrs. K. Knutson, Mr. and Mrs. C. Knutson, Andrew Murray, Alex. Murray, W. Woods, P. Solon, and Mr. and Mrs. A. G. McDonald.

FOR 15 YEARS WAS TROUBLED WITH ECZEMA

There is no other remedy like Burdock Blood Bitters that can possibly give such relief to all sufferers from eczema, salt rheum and all other diseases of the blood for the reason that this old and well tried remedy goes right to the seat of the trouble and completely and permanently drives these diseases out of the system by cleansing the blood and making it pure and rich.

Mr. F. W. H. Schultz, Pembroke, Ont., writes:—"Having been troubled with eczema for fifteen years, during which time I tried everything I could think of, including doctors, but without getting anything to do me much good I finally decided to take Burdock Blood Bitters, and I was certainly surprised to find that two weeks after I had started to take it I was relieved of my trouble. That was nine months ago, and I have not had a sign of it since. I surely wish to thank you for this wonderful medicine and strongly recommend it to anyone suffering from the same trouble as I had."

B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

ADVOCATE ALL FOODS SHOULD BE SEALED

The medical profession very generally advocate that all food products should be sold in sealed packages. All cities rigorously inspect butcher shops to prevent meat from being infected, many prohibit milk from being sold in bulk and gradually this will come with everything. SALADA was the first to introduce the package idea as regards tea, over thirty-two years ago, and "SALADA" is still a little purer and a little better than other teas. It has by far the largest sale.

INCREASED SAILINGS TO THE OLD COUNTRY

In order to take care of increased travel expected from Canada to the Old Country this summer, the White Star, Cunard and Anchor-Donaldson Lines announce additional sailings from Montreal and Quebec. It is also suggested that those going to the Old Country should make reservations and secure passports as early as possible. Write or call Canadian National Railways, 528 Third Avenue, Prince Rupert, B.C. Phone 260.

Sport Chat

Waking up yesterday morning to find six inches of snow staring them in the face, fans who have been looking forward to resumption of outdoor sports at an early date had their hopes rudely interfered with, for a while at least. When they started to plow through the drifts their state of mind was not any improved. However, it has turned out to be nothing but a wild March flurry and everybody is in good spirits again. Basketball is now finished and the final meeting of the badminton season, which has been keeping a large number of people actively engaged during the winter months, will take place tomorrow afternoon with the staging of a grand wind-up handicap tournament in the McIntyre Hall. Then there will be nothing doing until the summer sports commence with the baseball game on Sunday week between the Gyro Club and the Inlander Mess.

In a return badminton played at Smithers last week end, the Smithers players again demonstrated their superiority over Hazelton representatives by winning eight of the ten matches. The teams were largely the same as those that played in the first inter-town tournament at Hazelton some weeks ago. The Hazelton team was seriously handicapped, however, by the absence of its star player, J. D. Galloway, who could not make the trip. Mr. Galloway is admittedly the best badminton player in the interior district.

PYLE ELIMINATES SUDEN IN OPENING BILLIARD CONTEST

Fred Pyle goes to the second round and Jack Suden is eliminated from the individual city billiard championship competition as a result of the opening match of the series last night. Suden made 311 points while Pyle scored the full 500.

High breaks were as follows:
Pyle—24, 22, 24 and 21.
Suden—16, 15, 13 and 13.

Pyle's average per inning was 3.875 and Suden's, 2.439.

The next game will be on Monday evening between Col. McMordie and F. Aldridge.
