LOST HIS LIFE UNDER BRIDGE

Particulars of Drowning of Alexander Bouchard Received by Provincial Police

Further particulars of the drowning of Alexander Bouchard in the Skeena River near Tyee at the end of the week have been received by the provincial police in a communication from J. Thistle, C.N.R. section foreman.

Deceased and Thistle in a boat were coming under the Green River Bridge where it joins the Skeena. The tide was running hard and Bouchard; who was in the stern, attempted to fend the craft off a bridge pier by using an oar. He lost his balance and fell in, capsizing the boat. Thistle saved his life by holding on to the overturned craft and was finally rescued by W. Wicks, a trapper. Bouchard came to the surface once and was seen no more. Dragging operations, later instituted by Thistle and Wicks, failed to recover the body.

Police investigation is being left to Constable R. Gibson of Port Essington who is due back from the south tomorrow.

Bouchard was 21 years of age and was a native of Montreal where he is survived by relatives. He was employed on the C.N.R. section at Skeena City.

CAPITAL EXPENDITURE FOR UTILITIES MEETS APPROVAL OF COUNCIL

Recommendations of the superintendent of utilities endorsed by the utilities committee that capital expenditures of $4,092 for the telephone department and $7,485.25 for the light department be made this year were accepted by the city council last night.

Ald. Macdonald, chairman of the utilities committee, stated that the expenditure in both cases would provide for very necessary work in the interests of safety, efficiency and economy.

The proposed telephone department expenditure, the report of the superintendnt showed, would extend the present system and at the same time reduce the cost of maintenance and staff. The light department expenditure would provide for the improvement of working conditions at the steam plant in point of safety and the automatic operation of the street lighting system, thus saving the services of two men amounting to $1,275 a year.

Ald. Collart felt there should be no objection to the program since the utilities were now standing on ther own feet. The work recommended should be done he thought.

Both reports were accordingly adopted.

Union steamer Cardena, Capt. A. E. Dickson, is due in port at 3.45 this afternoon from Anyox and Stewart. She will sail at 5 o'clock for Vancouver and way ports with the following included in her passenger list: G. N. McMillan, J. B. McMillan, W. C. Splan, A. D. Matheson, Mrs. George Fritz, Harry Welford and Mr. and Mrs. T. McCulloch and Son.

SKEENA LAND DISTRICT OF QUEEN CHARLOTTE ISLANDS.

Take Notice that I, Arthur Robertson, of Port Clements, British Columbia, intends to apply for a lease over the following described lands: Commencing at a post planted at the northwest corner of Lot 836 north coast of Graham Island; thence 160 chains westerly; thence five chains northerly, to low water mark, thence 160 chains easterly along low water mark; thence five chains southerly to point of commencement, containing forty acres, more or less.

Located January 16th, 1924.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.
