IMPROVEMENTS AT SALT LAKE

Diving Tower, Dressing Rooms, and Floats Are in Good Shape Now

The swimming club has been doing some excellent work at the Salt Lake where a permanent diving tower, thirty feet high, has been erected on piles with a good stair leading to it and platforms at intervals from which the less bold may dive.

Improvements have been made to the floats and dressing rooms and a platform is built outside the men's dressing room which can be used when there is no room inside.

When the work is complete it will be one of the best bathing pools on the coast and will be a credit to those who have the work in hand as well as to the city of Prince Rupert. Some work is to be done, it is understood, looking to making the place for beginners safer than it is today. The deep part will be fenced off and as many rocks as possible removed.

BASEBALL GAME ENDS WITH ROW

Ocean Falls Japanese Team Walked Off Field Last Night as Protest Against Decision

With the scores standing 10 to 7 in favor of the visitors, the baseball game last night between Prince Rupert and the Ocean Falls Japanese team ended up in a row when the captain of the Jap team called his men off the field in the ninth inning apparently in protest at decisions given by Umpire P. Laporte. The trouble started when Prince Rupert was at bats. The pitcher for the Japs had been showing signs of temper and, as darkness approached, the entire team was evidently attempting to stall while the score was still in their favor. After the game stopped, an agreement was reached to call it a draw and the match tonight will decide the winner of the series.

The game cannot be said to have been a good one though there was a large crowd of fans who saw it through to the end. The Japs, in point of play, had the best of it and their battery performed creditably while the support in the field was on a level. Lidsone pitched the first five innings for Prince Rupert. He allowed scattered hits but it was lack of support in the field and the continuous looseness of Astoria behind the bat that caused the visitors to pile up their score. Just before the game stopped, the local team was showing signs of staging a balking rally in the dark and, if the match had continued, it is possible they might have won.

Had the play not been so slow,

the game might have been over before the darkness and confusion arose. The locals will undoubtedly turn out a stronger aggregation tonight than they did last night and things will probably be speeded up as a result. The Lidsone-Astoria battery was replaced in the sixth inning last night by the Fortin-McKeown combination. Not having been warmed up, Fortin was hit quite freely by the Japs although there was a tendency on the part of the locals to tighten up.

The Prince Rupert team was as follows: A. Mitchell, 2b; Len Sherman, ss; Jack Ratchford, cf; Astoria, and If; W. Mitchell, lf; Lambie, rf; Bazzett-Jones, 1b and rf; Lidsone, p; Perry 2b; V. Menzies, 4b; Fortin, p; McKeown, c.

Score by innings:
1 2 3 4 5 6 7 8 9
O. F. . . . 2 1 0 0 4 0 1 1 1—10
P. R. . . . 2 0 0 2 0 4 1 0 1—7
Inning unfinished.

JAPANESE BASEBALL TEAM ENTERTAINED

Dinner Staged in St. Regis Cafe Last Night in Honor of Visitors

The Prince Rupert Japanese Association entertained the members of the visiting Ocean Falls Japanese baseball team at a dinner and social evening in the St. Regis dining hall last night. Representatives of the Prince Rupert Baseball Association and the teams comprising the local baseball league were also present.

The function opened with the singing of God Save the King. S. Suga, on behalf of the Japanese Association, made a speech of welcome to the visitors which was suitably replied to by Frank Nagano, captain of the Ocean Falls team, who introduced the individual members. A toast to the teams comprising the local baseball league was proposed by S. Suga and replied to by Ray Love, president of the Sons of Canada Association; H. Sabourin, for the Knights of Columbus; Fred Gilhuly, for Gil's baseball team, and W. D. Vance, president of the Prince Rupert Baseball Association. H. Sabourin sang a solo solo and Harry Astoria gave an amusing Swedish dialogue much to the delight of the visitors. A happy evening was brought to a close at midnight by the hosts giving their team battle cry.

The local men were hospitably entertained, a visit through the mill proving very interesting. They were also taken by gas boat to the lake and a dance was staged in their honor on the eve of returning home.

Sport Chat

The work of setting up the Gyo Club's playground equipment in McClumby Park was completed last night and, in the course of the next few days, it is expected the city will have its swimming tank ready. Plans are now being made to stage the official opening of the new recreation centre for Prince Rupert youngsters some time about the middle of the month. From then on it is certain that the place will be the most attractive place

in town for the kiddies and it will not take long to prove its usefulness. Some special proceedings will undoubtedly be arranged to mark the opening of the grounds.

That Babe Fortin has arrived in the city and will remain for the summer will be good news to baseball fans generally. He came in yesterday afternoon from Ocean Falls and will take a position with Ben Self. This capable southpaw of former days here will do much to strengthen the City League Team to which he may be allotted and his services will certainly be valuable when a Prince Rupert team goes up against outsiders. Pioneer baseball fans of the city will remember Babe who, as a youngster, played ten or so years ago with the Catholic Club. He has been keeping with baseball since then and is said to have developed considerably. Last year, it will be remembered, he played with one of the Anyox teams.

RUPERT BEATEN IN BOTH GAMES

Ocean Falls Lacrosse Players Proved Too Much For Locals

The local lacrosse team was beaten in both games at Ocean Falls. The first resulted in a score of 16 to 7 and the second 10 to 5.

The Prince Rupert boys found themselves up against the real goods in the paper town, the team which they met including a number of men who have travelled in high-class lacrosse company around Vancouver and New Westminster.

The last match was a particularly rough affair. Three Ocean Falls men were ordered off the field and one was laid out. Skinner of Prince Rupert was also sent to the bench.

The local men were hospitably entertained, a visit through the mill proving very interesting. They were also taken by gas boat to the lake and a dance was staged in their honor on the eve of returning home.
