The new quiet 12 wins

Six continents hail the extraordinary success of this latest Remington model. In thousands of offices the first trial machine has been followed by installation after installation of New Quiet 12's. Every day it is making new Remington users—so decisive are its many superiorities.

Its natural touch and its exceptional responsiveness are a revelation in swift and easy operation. And the beauty of its writing is an advantage to every owner, and a source of pride to every typist.

Every operator should try this new machine — in the interest of her employer, and in justice to herself.

The New Quiet 12 costs no more than the ordinary typewriter. Easy payment terms, if desired.

We will gladly demonstrate the New Quiet 12 in your office, without obligation on your part.

Pacific Reliable This Weather

Kept in a cool place, Pacific Milk goes through hot weather in splendid condition. It is rather painful to suddenly discover, when you are in a hurry, that the cream you are depending upon has turned sour. Those who use Pacific Milk find it can be depended upon in any weather. We have many letters which mention how well it keeps during the summer.
