Timber Industries Council in Defence of Canadian Government Merchant Marine Service in B.C.

VANCOUVER, June 9. - Strong protests have been forwarded to Ottawa regarding the attacks made in the Senate on the Pacific Coast management of the Canadian Government Merchant Marine and the Canadian National Railways. The Timber Industries Council, representing the largest business interests of the province, in a resolution, states that in its opinion the western departments of the Canadian Government Merchant Marine and the Canadian National Railways are "honestly and efficiently managed and are capable of handling any situation which may arise or develop for
